AMC 3. Acquire, for the second or subsequent time, directly from the actual manufacturer.

AMSC C. This part requires engineering source approval by the design control activity in order to maintain the quality of the part. Existing unique design capability, engineering skills, and manufacturing knowledge by the qualified source(s) require acquisition of the part from the approved source(s). The approved source(s) retain data rights, manufacturing knowledge, or technical data that are not economically available to the Government, and the data or knowledge is essential to maintaining the quality of the part. An alternate source must qualify in accordance with the design control activity's procedures, as approved by the cognizant Government engineering activity. The qualification procedures must be approved by the Government engineering activity having jurisdiction over the part in the intended application.

This acquisition will be negotiated with: Honeywell Intl (0BFA5)

The technical data required to manufacture item 34206718-002 is owned by Honeywell Intl (0BFA5). Currently, no other source is able to become an approved source because Honeywell Intl (0BFA5) has declined to license its technical data to any other commercial vendor. Honeywell Intl (0BFA5) owns the test equipment and is the only approved source of repair at this time for this item. A Criticality determination for item 34206718-002 has not yet been entered into JDRS therefore a request for determination and entry into JDRS has been submitted.

**6. DESCRIPTION OF EFFORTS MADE TO SOLICIT OFFERS FROM AS MANY OFFERORS AS PRACTICABLE:** The proposed contract action was synopsized and included a Sources Sought Notice on the FedBizOpps website for government-wide point of entry on

Dec 16, 2015

and as a result:

No other parties showed interest.

Market Research was conducted in accordance with FAR part 10. The results of the Market Research conducted (or the reason market research was not conducted) is as follows:

The technical data necessary to facilitate competitive procurement of 34206718-002 is not currently available. Currently no other source is able to be approved because Honeywell Intl (0BFA5) has declined to license its technical data to any other commercial vendor. A criticality determination has not yet been entered into JDRS therefore a request for determination and entry into JDRS has been submitted. Source Development Department files indicate no Source Approval Requests (SAR) have been received from any interested entities. Source Development Department files indicate Honeywell Intl (0BFA5) to be the only approved manufacture source at this time.

**7. DETERMINATION OF FAIR AND REASONABLE COST:** The contracting officer determines that the anticipated cost to the Government of the supplies covered by this J&A will be fair and reasonable.

**8. ACTIONS TO REMOVE BARRIERS TO FUTURE COMPETITION:**

For reasons set forth in Paragraph (5), NAVSUP WSS has no plans at this time to compete future contracts for the types of supplies/ services covered by this document. If another potential source emerges, NAVSUP WSS will assess whether competition for future requirements is feasible. Future requirements will be advertised in the FedBizOpps website ([www.fedbizops.gov](http://www.fedbizops.gov)) in order to encourage potential suppliers to submit Source Approval requests.

**9. REFERENCE TO THE APPROVED ACQUISITION PLAN:**

An informal / formal acquisition plan is / is not required for this acquisition.
