5. **RATIONALE JUSTIFYING USE OF CITED STATUTORY AUTHORITY:**

The current Acquisition Method Code/Acquisition Method Suffix Code (AMC/AMSC) is: 3B

This acquisition will be negotiated with: L-3 Communications Corporation (50643) who is the only valid source of manufacture, approved by NAVAIR at this time. The subject item is critical, all alternate sources must qualify in I/A/W the Design Control Activity procedures as approved by NAVAIR prior to contract award.

AMC "3" acquire, for the second or subsequent time, directly from the actual manufacturer.

AMCS "B" this part must be acquired from a manufacturing source (s) specified on a source control or selected item drawing as defined by the current version of DoD-STD-100. Suitable technical data, Government data rights, or manufacturing knowledge are not available to permit acquisition from other sources, nor qualification testing of another part, nor use of a second source part in the intended application. Data review discloses that required data or data rights are not in Government possession and cannot be economically obtained.

6. **DESCRIPTION OF EFFORTS MADE TO SOLICIT OFFERS FROM AS MANY OFFERERS AS PRACTICABLE:**

The proposed contract was synopsisized in the FedBizOpps website for government wide point of entry on September 10, 2013. The following sources have expressed an interest in the acquisition: \_\_\_\_\_.

The Source Development Department has conducted market research in accordance with FAR Part 10. The results of the market research conducted are as follows: The data necessary to support repair competition has been found to be inadequate. No facility, other than L-3 Communications (50643), has the expertise, facilities, test equipment or Design Control Activity approval necessary to manufacture the Rotary Coupler Assembly. To date, no source approval requests have been received by 0732. *APB*

7. **DETERMINATION OF FAIR AND REASONABLE COST:** The contracting officer determines that the anticipated cost to the Government of the supplies covered by this J&A will be fair and reasonable.

8. **ACTIONS TO REMOVE BARRIERS TO FUTURE COMPETITION:**

For reasons set forth in Paragraphs (5) & (6), NAVSUP WSS has no plans at this time to compete future contracts for the types of supplies/services covered by this document. If another potential source emerges, NAVSUP WSS will assess whether competition for future requirements is feasible. *APB*
