AMC 3. Acquire, for the second or subsequent time, directly from the actual manufacturer.

AMSC C. This part requires engineering source approval by the design control activity in order to maintain the quality of the part. Existing unique design capability, engineering skills, and manufacturing knowledge by the qualified source(s) require acquisition of the part from the approved source(s). The approved source(s) retain data rights, manufacturing knowledge, or technical data that are not economically available to the Government, and the data or knowledge is essential to maintaining the quality of the part. An alternate source must qualify in accordance with the design control activity's procedures, as approved by the cognizant Government engineering activity. The qualification procedures must be approved by the Government engineering activity having jurisdiction over the part in the intended application.

This acquisition will be negotiated with: (49956) RAYTHEON

This acquisition will be negotiated with (49956) Raytheon company. A critical item determination has not been made on this item. It is a component of an F-18 countermeasures system, for which only Raytheon has both the data and capability to produce. The government has no data for this item.

6. DESCRIPTION OF EFFORTS MADE TO SOLICIT OFFERS FROM AS MANY OFFERORS AS PRACTICABLE:

The proposed contract action was synopsised in the FedBizOpps website for government-wide point of entry on:

6/3/14

The following sources have expressed an interest in this acquisition: *None*

Market Research was conducted in accordance with FAR part 10. The results of the Market Research conducted (or the reason market research was not conducted) is as follows:

The data necessary to facilitate competitive procurement of this Antenna, by sources other than Raytheon (49956), is not currently available. The Source Development Department will send a letter to Raytheon (49956) requesting a budgetary cost estimate and lead time for providing a complete Level III Technical Data Package with U. S. Government rights for use of data for competitive procurement purposes. A criticality determination for this item has not yet been entered into JDRS. A request for determination and entry into JDRS has been submitted. Source Development Department files indicate no SAR has been received from any company interested in becoming a source of supply for this item. Raytheon (49956) is the only approved source of supply at this time. *APP*

7. DETERMINATION OF FAIR AND REASONABLE COST: The contracting officer determines that the anticipated cost to the Government of the supplies covered by this J&A will be fair and reasonable.

8. ACTIONS TO REMOVE BARRIERS TO FUTURE COMPETITION:

For reasons set forth in Paragraphs (5) & (6), NAVSUP WSS has no plans at this time to compete future contracts for the types of supplies/ services covered by this document. If another potential source emerges, NAVSUP WSS will assess whether competition for future requirements is feasible. *APP*

9. REFERENCE TO THE APPROVED ACQUISITION PLAN:

An informal / formal acquisition plan is / is not required for this acquisition.
