No other commercial manufacturing facilities at this time have the expertise, facilities, or the test equipment necessary to manufacture the subject item except Aero Electronics Systems Inc.. No other sources have expressed and interest in manufacturing the subject item to the Source Development Department. To promote competition the NAVSUP WSS will encourage manufactures with the expertise to manufacture the subject item to submit a complete technical data package for review and source approval by the appropriate engineering source approval authority, namely NAVSUP WSS, NAWC, and NAVAIR. Also future requirements will be advertised on FED BIZ OPS (www.fedbizops.com)
