Requisition/PD# N0038316X0668

AMC 3. Acquire, for the second or subsequent time, directly from the actual manufacturer.

AMSC D. The data needed to acquire this part competitively is not physically available, it cannot be obtained economically, nor is it possible to draft adequate specifications or any other adequate, economical description of the material for a competitive solicitation.

This acquisition will be negotiated with: NORTHROP GRUMMAN SYSTEMS CORP (06481)

Only NORTHROP GRUMMAN SYSTEMS CORP (06481) will be solicited because NAVSUP does not own rights to drawings. They cannot be obtained, nor is it possible to draft adequate specifications for them to facilitate competition at this time. Rights would enable the Government to distribute technical data to potential new suppliers of subject item. Drawings contain information regarding inspection and review of manufacturing techniques, special skills, qualifications, and knowledge required to complete the manufacturing procedures. As a result additional sources are either unable or uninterested in repairing subject item. Additional sources are required to submit a complete SAR package to qualify them as a new source.

6. DESCRIPTION OF EFFORTS MADE TO SOLICIT OFFERS FROM AS MANY OFFERORS AS PRACTICABLE: The proposed contract action was synopsised and included a Sources Sought Notice on the FedBizOpps website for government-wide point of entry on

Jan 19, 2016

and as a result:

no other sources have expressed an interest in this acquisition

Market Research was conducted in accordance with FAR part 10. The results of the Market Research conducted (or the reason market research was not conducted) is as follows:

The AMC/AMSC is "3D" Suitable technical data, Government data rights, or manufacturing knowledge are not available to permit acquisition from other sources, nor qualification testing of another part, nor use of a second source part in the intended application. Data rights are not in Government possession and cannot be obtained. NAVSUP does not own rights to drawings. They cannot be obtained, nor is it possible to draft adequate specifications for them to facilitate competition at this time. Currently the only approved sources of supply is NORTHROP GRUMMAN SYSTEMS CORP (06481). No other sources have expressed an interest in manufacturing the subject item to the Source Development Department. To promote competition the NAVSUP (WSS) will continue to encourage manufactures with the expertise to manufacture the subject item to submit a complete technical data package for review and source approval by the appropriate engineering source approval authority. Also future requirements will be advertised in the FedBizOpps website (www.fedbizopp.gov) in order to encourage potential suppliers to submit Source Approval Requests.

7. DETERMINATION OF FAIR AND REASONABLE COST: The contracting officer determines that the anticipated cost to the Government of the supplies covered by this J&A will be fair and reasonable.

8. ACTIONS TO REMOVE BARRIERS TO FUTURE COMPETITION:

For reasons set forth in Paragraph (5 & 6), NAVSUP WSS has no plans at this time to compete future contracts for the subject item covered by this document. If another potential manufacturing source emerges, NAVSUP WSS will assess whether competition for future requirements is feasible.

9. REFERENCE TO THE APPROVED ACQUISITION PLAN:

An informal formal acquisition plan is / is not required for this acquisition.
