AMC 3. Acquire, for the second or subsequent time, directly from the actual manufacturer.

AMSC B. This part must be acquired from a manufacturing source(s) specified on a source control or selected item drawing as defined by the current version of DoD-STD-100. Suitable technical data, Government data rights, or manufacturing knowledge are not available to permit acquisition from other sources, nor qualification testing of another part, nor use of a second source part in the intended application. Data review discloses that required data or data rights are not in Government possession and cannot be economically obtained.

This acquisition will be negotiated with: TRIUMPH ACTUATION SYSTEMS (33UN4)

Triumph Actuation Systems, (33UN4) P/N: TS00424-0400-03, is only the Approved Source of Supply to manufacture, and test the subject E-2D Advanced Hawkeye Aircraft, EDS CONTROL PANEL,A, in accordance with I/A/W Northrop Grumman Source Control Drawing 123SCAV9980-7. The subject item is a Critical Application Item.

No additional source's expressed an interest in this procurement.

Market Research was conducted in accordance with FAR part 10. The results of the Market Research conducted (or the reason market research was not conducted) is as follows:

NAVSUP Weapon Systems Support (NAVSUP WSS) has a breakout program designed to convert as many acquisitions to full and open competition as possible. The program is designed to acquire the necessary technical data needed to procure the requirements of NAVSUP WSS by full and open competition. Available data including all manufacturing publications, supporting test equipment availability and associated drawings and specifications required to manufacture the subject item has not been found adequate to support full and open competition.

7. DETERMINATION OF FAIR AND REASONABLE COST: The contracting officer determines that the anticipated cost to the Government of the supplies covered by this J&A will be fair and reasonable.

8. ACTIONS TO REMOVE BARRIERS TO FUTURE COMPETITION:

For reasons set forth in paragraph 5, and 6, NAVSUP/WSS has no plans at this time to compete future contracts for the types of supply/ services covered by this document. If other potential sources are interested, NAVSUP/WSS will assess whether competition for future requirements is feasible.

9. REFERENCE TO THE APPROVED ACQUISITION PLAN:

An informal formal acquisition plan is / is not required for this acquisition.
