

NONCOMPETITIVE PROCUREMENT JUSTIFICATION
(Simplified Acquisition Procedures (SAPs) Micropurchase Threshold to \$150K)

The service or product(s) listed on requisition(s) below is/are precluded from competition for reasons indicated below.

There are no suitable substitutes available.

Restricted to the following source. Provide original manufacturer's name. (If a sole source manufacturer distributes via dealers, ALSO provide dealer information.)

Manufacturer: L-3 Communications Corporation, Warrior Systems Division, Insight Operations

Manufacturer's Dealer/Rep [REDACTED]

Description of the product or services required, the estimated cost, and required delivery date (products) or Period of Performance (services). This justification will authorize the sole-source procurement for technical data for the AN/PVS-15A (P/N 245050-007) Night Vision Goggle to support [REDACTED]. The manufacturer of the AN/PVS-15A is L-3 Communications Corporation, Warrior Systems Division, Insight Operations and [REDACTED] is the manufacturer's authorized dealer/rep. The total value of this sole source procurement is estimated at [REDACTED].

The technical data for AN/PVS-15A (P/N 245050-007) Night Vision Goggle is as follows:

- a) Publications: Inclusion of standard publications including standard training manuals, operation manuals and maintenance publications for the equipment.
- b) High Resolution quality color photographs taken at various angles of the auto-gated AN/PVS 15-A Submersible Night Vision Goggles and all Complete Equipment Schedule (CES) items.
- c) Compliance assessment of the auto-gated Submersible Night Vision Goggle (AN/PVS 15-A) against EMC emission and susceptibility requirements specified in MIL-STD-461, and copies of the test reports.
- d) OEM codification data for:
The auto-gated AN/PVS 15-A Submersible Night Vision Goggles with Gen III Image Intensifier tubes (FOM > 1600) installed.
- e) OEM codification data for:
The Gen III Image Intensifier tubes (FOM > 1600).

Specific characteristics of the material or service that limit the availability to a sole source (unique features; function of the item; unique capabilities; facilities or special equipment; etc.). Describe in detail why only this suggested source can furnish the requirements to the exclusion of other sources. The Letter of Offer and Acceptance (LOA) for [REDACTED] authorized the sale of 88 ea. AN/PVS-15A night vision devices to the Government of [REDACTED]. By letter dated 29 July 2011, the purchaser requested that L-3 Communications Corporation, Warrior Systems Division, Insight Operations be designated as Prime Contractor for the purchase of these AN/PVS-15A night vision goggles and technical data. The procurement of these 88 NVG units was accomplished via [REDACTED] at a cost of [REDACTED] and deliveries to [REDACTED] have been completed. The based on the fact that the AN/PVS-15A (P/N 245050-007) night vision devices have already been purchased from L3 Communications [REDACTED], only L3 Communications and/or their authorized dealer has access to proprietary technical data required to support these AN/PVS-15A night vision goggles.

For non-personal services indicate the highly technical or specialized expertise required. Describe the contractor's workforce, methods, materials or unique management or operating systems. If it is unique because of knowledge of key individuals, what is the basis of the knowledge that another firm could not obtain the same or equivalent expertise? Could another firm obtain the necessary highly specialized experience or technical capability in time to perform the requirement? Delivery of the technical data for the AN/PVS-15A (P/N 245050-007) Night Vision Goggles will be NLT 1 April 2013. Accelerated deliveries are requested. This technical data is needed to provide training and to incorporate into training aids for [REDACTED] units operating in [REDACTED]

The required product(s) or service(s) represent(s) the minimum requirements of the Government and no other product(s) or service(s) can satisfy the need.

FILL IN ALL APPLICABLE BLANKS BELOW

The product(s) must be compatible in all aspects (form, fit, and function) with existing systems presently installed. Describe the equipment you have **now** and **how** the new item/service must coordinate, connect, or interface with the existing system.

Patent rights, copyrights, trade secrets, technical data, secret processes, or other propriety data essential for contract performance limits competition. The proprietary data is: The manufacturer of the AN/PVS-15A is L-3 Communications Corporation, Warrior Systems Division, Insight Operations and [REDACTED] is the manufacturer's authorized dealer/rep. The technical data regarding the AN/PVS-15A Night Vision Goggles is owned by L-3 Communications Corporation, Warrior Systems Division, Insight Operations and will be distributed through their authorized dealer.

These are "direct replacements" parts/components for existing equipment .

Other information to support a sole-source buy: There are no other vendors authorized for the technical data for this AN/PVS-15A (P/N 245050-007) Night Vision Goggle configuration.

I CERTIFY THAT STATEMENTS CHECKED, AND INFORMATION PROVIDED ABOVE, ARE COMPLETE AND CORRECT TO THE BEST OF MY KNOWLEDGE. I UNDERSTAND THAT THE PROCESSING OF THIS SOLE-SOURCE JUSTIFICATION PRECLUDES THE USE OF FULL AND OPEN COMPETITION.

Signature [REDACTED]

Code [REDACTED]

Title Logistics Management Specialist

Date 13 Dec 2012

Based on review of the above statements and information, I concur with processing this procurement on a noncompetitive basis.
