1. The material listed on (**Doc#M94700-15-SU-00149 / M94700-5126-3025 Precision Pulsed Laser Sub-System PPLS**) is available from only one source and competition is precluded for reasons indicated below. There are no substitutes available.

Manufacturer: SANTA BARBARA INFRARED, INC.  
Manufacturer POC and Phone Number: 805-965-3669  
Manufacturer Address: 30 S CALLE CEASAR CHAVEZ STE D

3. Description of the item required, the estimated cost, and required delivery date.

The Government does not own, nor can it provide, a specification, technical data package, or a detailed engineering description necessary for the manufacture of the required PPLS.

5. Check and fill in all that are applicable:

- The material or service must be compatible in all aspects (form, fit, and function) with existing systems presently installed. Describe the equipment you have now and how the new item/service must coordinate, connect, or interface with the existing system:
- A patent, copyright, or proprietary data limits competition. The proprietary data are described as follows:
- These are "direct replacement" parts/components for existing equipment.
- Other information to support a sole-source buy:

**CERTIFICATION**

I certify that statements checked and information provided above are complete and correct to the best of my knowledge. I understand that the processing of this Sole-Source Justification precludes the use of full and open competition.
