IN REPLY REFER TO:

MCLC 13644

SOLE SOURCE JUSTIFICATION FOR SIMPLIFIED ACQUISITIONS

1. The service listed on (M93636-6195-2047) is available from only one source and competition is precluded for reasons indicated below. There are no substitutes available.

2. This acquisition is restricted to the following source:

Manufacturer: High Tech Insulators
Manufacturer POC and Phone Number: Adam Allen, 734-751-1757
Manufacturer Address: 34483 Glendale St, Livonia, MI 48150-1301

3. Description of the service required, the estimated cost, and required delivery date.

Application of high temperature insulation to government owned Amphibious Assault Vehicle exhaust components.

Amphibious Assault Vehicle Exhaust Muffler, P/N: 7010002 (15 ea)
Amphibious Assault Vehicle Exhaust Elbows, P/N: 7010008 (30 ea)
Amphibious Assault Vehicle Exhaust Adapters, P/N: 7010011 (30 ea)

The estimated cost is ~~XXXXXXXXXX~~

Period of Performance: Approximately 180 Days.

4. Specific characteristics of the material that limit the availability to a sole source e.g., unique features, function of the item, etc. Describe in detail why only this suggested source can furnish the requirements to the exclusion of other sources.

The required insulation is a specified temperature resistant coating that is proprietary to High Tech Insulators Inc. It is applied to the above described exhaust components of the "Amphibious Assault Vehicle" (AAV) in a refurbishment process and the insulated parts are subsequently installed on the AAV's during the total rebuild/upgrade of the vehicles by the Marine Corps Logistics Command Production Plant, Barstow Ca. There is no acceptable substitute insulation product/process that will meet the current vehicle configuration specifications (see attached specification). Parts are shipped to the contractor as they become available.

5. Check and fill in all that are applicable:

The material or service must be compatible in all aspects (form, fit, and function) with existing systems presently installed. Describe the equipment you have now and how the new item/service must coordinate, connect, or interface with the existing system:

A patent, copyright, or proprietary data limits competition. The proprietary data

Source Selection Information - See FAR 2.101 and 3.104

are described as follows:

- This is a proprietary service of "direct replacement" parts/components for existing equipment.
- Other information to support a sole-source buy:

CERTIFICATION

I certify that statements checked and information provided above are complete and correct to the best of my knowledge. I understand that the processing of this Sole-Source Justification precludes the use of full and open competition.
