SECTION I - CONTRACT CLAUSES

The following have been modified:

52.216-19 ORDER LIMITATIONS. (OCT 1995)

(a) Minimum order. When the Government requires supplies or services covered by this contract in an amount of less than **4EA**, the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.

(b) Maximum order. The Contractor is not obligated to honor:

(1) Any order for a single item in excess of **110EA**;

(2) Any order for a combination of items in excess of **440EA**; or

(3) A series of orders from the same ordering office within **30** days that together call for quantities exceeding the limitation in subparagraph (1) or (2) above.

(c) If this is a requirements contract (i.e., includes the Requirements clause at subsection 52.216-21 of the Federal Acquisition Regulation (FAR)), the Government is not required to order a part of any one requirement from the Contractor if that requirement exceeds the maximum-order limitations in paragraph (b) above.

(d) Notwithstanding paragraphs (b) and (c) above, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within 14 days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.

(End of clause)

SECTION M - EVALUATION FACTORS FOR AWARD

The following have been modified:

SECTION M

For evaluation purposes, the price submitted for the 16EA – 25EA stepladder quantity will be utilized. This in no way limits the Government's ability after award to exercise a delivery order at the appropriate stepladder unit price. If the stepladder quantities are not where the price breaks occur, the contractor is encouraged to provide different stepladder quantities.
