

JUSTIFICATION FOR SOLE SOURCE (Simplified Acquisitions <\$100K)

The service or material listed on V5505-5056-0026 sole source and competition is precluded for reasons indicated below. There are no substitutes available for this material or service.

Restricted to the following source. Provide name. (If a sole source manufacturer distributes via dealers, ALSO provide dealer information.)

Manufacturer: Manitowoc
Manufacturer POC & phone nr.

Mfr. address

Dealer / Rep: **H & E EQUIPMENT SERVICES**
Dealer / Rep address / phone nr. 3601 Koppens Way, Chesapeake, VA 23323/ 804-338-4970

Description of the item or service required, the estimated cost, and required delivery date.

Service Required: Provide parts and complete rebuild of both cylinders on 777 Manitowoc 200 ton.

Required Delivery Date: ASAP

Specific characteristics of the material or service that limit the availability to a sole source (unique features, function of the item, etc.). Describe in detail why only this suggested source can furnish the requirements to the exclusion of other sources.

On 9 February 2015, a H&E Equipment service representative preformed a visual inspection of PHIB TWO's Manitowoc 777 200 Ton USN 42-02527. Upon inspection of the mast cylinders a quote _____ was received which included parts, labor, freight, testing, certification by a licensed Manitowoc dealer and trained personnel to complete the job from start to finish on both cylinders. H&E Equipment is the only local company that is authorized to provide parts and service by the manufacturer of the Manitowoc Crane.

- Certification from manufacture of rebuild work provided after completion of services quaranteeing quality of work.
- The price for a new mast cvlinder is \$97,000.00 alone.
- If corrective action are not taken, could result in costlier repairs.
- Work is completely done by Manitowoc certified engineers.

____ The requested material or service represents the minimum requirements of the government.

CHECK & FILL IN ALL APPLICABLE BLANKS BELOW

The material/service must be compatible in all aspects (form, fit and function) with existing systems presently installed/performing. Describe the equipment/function you have now and how the new item/service must coordinate, connect, or interface with the existing system.

All parts/components required for repair or replacement are "direct replacement" for Manitowoc 777 200 Ton USN 42-25527

___ A patent, copyright or proprietary data limits competition. The proprietary data is _____

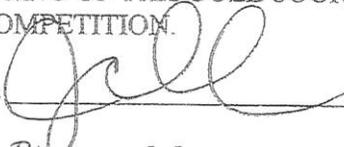

These are "direct replacements" parts/components for existing equipment.

All parts/components required for repair or replacement must be "direct replacement" for Manitowoc 777 200 Ton USN 42-25527

Other information to support a sole source buy:

PHIBCB TWO conducted thorough research for alternative service request. No other source was found to be qualified to complete the service nor able to complete the job without assistance from crane crew who does not have the manpower or capable of obtaining the parts to complete the entire job. Therefore, PHIBCB TWO is requesting to sole source the repairs for the Manitowoc Crane USN 42-25527 to H & E Equipment to prevent additional cost from delaying repairs that if not performed would cost further damage to the mast cylinder.

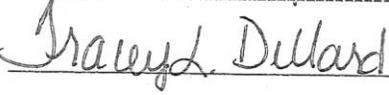

I CERTIFY THAT STATEMENTS CHECKED, AND INFORMATION PROVIDED ABOVE, ARE COMPLETE AND CORRECT TO THE BEST OF MY KNOWLEDGE. I UNDERSTAND THAT THE PROCESSING OF THIS SOLE SOURCE JUSTIFICATION PRECLUDES THE USE OF FULL AND OPEN COMPETITION.
