

JUSTIFICATION FOR SOLE SOURCE ACQUISITION

NNSY 4255/6 (Rev 10/88)

000189-15-T-N064

NOTE: This form is to be used to request a Sole Source Acquisition in accordance with Title 10 USC section 2304, CICA - Public Law 98-369, FAR 6 and 13.106, and other implementing Acquisition Regulations. Contracting without providing for full and open competition shall not be justified on the basis of (1) lack of advanced planning or (2) concerns related to the amount of funds available (expiring funds), FAR 6.301(c). Statements such as "only known source" or "only known source which can meet the required delivery date" are inadequate and insufficient to support a Sole Source purchase. SUPAR 13.106(b)(2)(ii).

It is requested that the following JML(s)/NML(s) be restricted to the following manufacturer(s):

JML(s)/NML(s): JML# 5100-2200

Name and Div:: GENERAL CABLE, Blolite Equipment Rental

City and State: FORGE PARK, FRANKLIN, MA 020385

Competition is precluded for the following reason(s):

1. Only one responsible source and no other supplies or services will satisfy agency requirements. (FAR 6.302-1).

a. Request is for unique supplies or services available from only one source or only one supplier with unique capabilities. (FAR 6.302-1(b)(1)) For example: 1) An accessory or addition to existing equipment. 2) Replacement parts or components of equipment for which technical data is not available or adequate. 3) Must not be used for standard commercial products.

Provide the following:

What makes this material or service unique? Be Specific!

General Cable has a non-exclusive license from BICC General, Inc. and British Telecommunications for use of Blowing Apparatus and cable and optical fiber suitable for use in data transmission networks. General Cable granted Norfolk Naval Shipyard (NNSY) license to practice and use the Blown Fiber technology and as it may be further developed, refined or improved upon under the company's agreement including any rights under applicable patents and related technical data and any future modification or improvements thereof, for military shipboard applications on vessels assigned to NNSY. Naval Ships are equipped with Blolite tubes and fiber; BICC and/or BT are the proprietors of patents and patent applications for Optical fiber products for use with on-training optical fiber in a stream of air for installation in BFT tubes/ducts. General Cable reserves the rights to cancel its license with NNSY if product other than that supplied by General Cable is installed. The Warranty is only valid when Blolite fiber and tubes are installed as a system. Use of non-General Cable supplied product in the blown fiber system will void the warranty.

Make and model of equipment that parts, components, accessories, or additions are for.

Make: Blolite Shipboard Blown fiber Optical Instal w/Accessories(4 & 8mmguides, tripod)

Model: ACU50001, BL12002, IO8001, IO4001, POC12001, TPD 0001

b. Manufacturer has possession of limited rights data, patent rights, copyrights, secret processes, license, etc. making the suppliers or services available from only one source. (FAR 6.302-1(b)(2)).

Provide the following:

Legal document number

Title:

Expiration:

c. Equipment or parts have been adopted as Standard Items of Supply in accordance with the DOD Standardization Program (DOD 4120.3). DFAR 6.302-1(cc)(70) Provide documentation for standardization.

Any additional justification/documentation should be attached to this form.

I certify that the statements given above are reliable and true.
