508 Statement

For EIT requirements include the following language unless an exception applies:

This procurement is for Electronic and Information Technology (EIT). Effective June 25, 2001, the Federal government implemented Section 508 of the Rehabilitation Act of 1973, Amendments of 1998 (29 U.S.C. S 794(d)). Section 508 requires that the federal government only acquire electronic and information technology goods and services that provide for access by persons with disabilities. Therefore, to the extent supplies and services are available in the commercial marketplace, the contractor is required to meet the relevant accessibility standards contained in 36 C.F.R. Part 1194 (Subpart B). For further information see <http://www.section508.gov>.
