

JUSTIFICATION FOR SOLE SOURCE ACQUISITION
NNSY 4255/6 (Rev 10/88)

NOTE: This form is to be used to request a Sole Source Acquisition in accordance with Title 10 USC section 2304, CICA - Public Law 98-369, FAR 6 and 13.106, and other implementing Acquisition Regulations. Contracting without providing for full and open competition shall not be justified on the basis of (1) lack of advanced planning or (2) concerns related to the amount of funds available (expiring funds), FAR 6.301(c). Statements such as "only known source" or "only known source which can meet the required delivery date" are inadequate and insufficient to support a Sole Source purchase, SUPAR 13.106(b)(2)(ii).

It is requested that the following JML(s)/NML(s) be restricted to the following manufacturer(s):

JML(s)/NML(s):

Name and Div.:

SPECTRONICS CORPORATION

City and State:

WESTBURY, NY

Competition is precluded for the following reason(s):

1. Only one responsible source and no other supplies or services will satisfy agency requirements. (FAR 6.302-1).

- X a. Request is for unique supplies or services available from only one source or only one supplier with unique capabilities. (FAR 6.302-1(b)(1)) For example: 1) An accessory or addition to existing equipment. 2) Replacement parts or components of equipment for which technical data is not available or adequate. 3) Must not be used for standard commercial products.
Provide the following: What makes this material or service unique? Be Specific!

Knolls Atomic Power Laboratory (KAPL) has worked directly with Spectronics Corporation over the last 16 years to develop a portable freon freeze seal method suitable for use in the Naval Nuclear Propulsion Program (NNPP). These units are built by Spectronics Corporation and tested for proper operation per a KAPL supplied "Acceptance Testing For Spectronics Pipe Freezing Units Delivered to the Naval Nuclear Propulsion Program (NNPP) document which is on file at Spectronics Corporation. NRMD-KB is requesting to purchase (8) of these unique pipe freeze units for use in the Naval Nuclear Propulsion Program which are only available from Spectronics Corporation. Purchase of these units will also standardize these units within the Nuclear Freeze Seal Corporation. The units are currently in use at Pearl Harbor Naval Shipyard (PHNS) and Kesselring Site Operations (KSO). NNSY and NRMD-KB freeze seal mechanics will be able to travel anywhere in the freeze seal corporation and will be able to perform freeze seals using this method with no additional training required. NRMD-KB has previously purchased 20 of the companies smaller units (SF-2503KAPL).

Make and model of equipment that parts, components, accessories, or additions are for.

Make:

SPECTRONICS XTREME FREEZE AUTOMATIC PIPE FREEZER SYSTEM

Model

XF-4006 (REQUIRES 1 EACH XF-4006L AND 1 EACH XF-4006R)

- b. Manufacturer has possession of limited rights data, patent rights, copyrights, secret processes, license, etc. making the suppliers or services available from only one source. (FAR 6.302-1(b)(2)).
Provide the following:

Legal document number _____

Title: _____

Expiration: _____

- c. Equipment or parts have been adopted as Standard Items of Supply in accordance with the DOD Standardization Program (DOD 4120.3). (FAR 6.302-1(cc)(70)) Provide documentation for standardization.

Any additional justification/documentation should be attached to this form.

I certify that the statements given above are applicable and true.
