

RFQ: N00244-15-T-0178 Amendment 0005

The purpose of amendment 0005 is to revise the Statement of Work to reflect the following changes to Sections 3.4 Delivery Schedule and add 3.5 Training.

3.4 Delivery Schedule: Time is measured in work days (not calendar days) from date of contract award.

Day 0	Government awards purchase order and contractor begins planning
Day 60	Telephone conference to provide status update
Day 75	Telephone conference call to coordinate delivery requirements
Day 85	Contractor ships first article and begins assembly
Day 90	FRCSW conducts FAT inspection on stand set (1) and basic training is given
Day 100	FRCSW accepts stand set (1) and notifies KO
Day 101 - 190	Contractor manufactures remaining stands sets (2-8), delivers and assembles stands.
Day 200	FRCSW conducts inspection on stand sets (2 - 8)
Day 205	FRCSW accepts stand sets (2 – 8) and notifies KO

Added: 3.5 Training:

The Vendor shall coordinate with DGR to provide one (1) day of basic operator and maintenance training for up to ten (10) FRCSW maintenance and production personnel within the normal hours of operation (Mon – Fri 0600-1400).

3.5.1 Operator training shall include the following:

3.5.1.1 An overview and familiarization of functions and safety features such as proper usage and movement.

3.5.2 Maintenance Training: Maintenance training shall include the following:

3.5.2.1 An overview and familiarization of the maintenance preventative measures such as wheel care.

No other changes are required and all existing terms and conditions remain unchanged.
