

**N00244-16-T-0117 SBCA Equipment: Q&A**

1. Are you looking for 74 of the 4.5 Air-Pak 50i™ SCBA Standard Harness • Less Cylinder • Less Facepiece • E-Z Flo Regulator manufactured by Scott and Health Safety

**Answer: 4.5 Air-Pak X3 w/CGA, CBRN, Standard Harness, Quick Connect Regulator Hose, PASS, Dual EBSS, Standard Belt, NO FFSR Rope, None Airline, No Case, Packaged 1 SCBA Per Box**

2. Also, on the synopsis, can you clarify "FY16 Operations and Maintenance, Navy appropriation will be utilized." I needed clarification if you were also looking for maintenance to be included or the product only.

**Answer: No maintenance for this contract. Only equipment to be purchased**
