Procedures in FAR 13.106 are applicable to this procurement. While price will be a significant factor in the evaluation of offers, the final contract award will be based on a combination of factors: price, technical capability, Contractor responsibility, and past performance. It may be in the government's best interest to issue multiple awards in response to this solicitation due to the non-availability of vehicles during the performance periods. Please provide a quote based on the availability of vehicles per the period of performance.

The Contractor must be registered in the System for Award Management (SAM) to be eligible for Department of Defense Contract awards. Lack of registration in the SAM database will make an offeror/quoter **INELIGIBLE FOR AWARD**. Please ensure compliance with this regulation when submitting your quote.
