

**August 12, 2015**  
**AMENDMENT (0001)**

**REQUEST FOR QUOTE (RFQ) N00604-15-T-3101**

Amendment 0001 is issued as a clarification to provide answers to questions received.

Q1: Does the tank require a V bottom or flat bottom?

A1: V bottom is preferred but not required.

Q2: My vendor wanted to know the end use for the tanks. This is important for the proper set up of the tanks.

A2: The tanks are used to store Bilge Water.
