It is the responsibility of the contractor to be familiar with the applicable clauses and provisions. The NAVSUP Fleet Logistics Center Pearl Harbor Regional Contracting Department requests responses from qualified sources capable of providing up to an estimated **416,040 gallons of LPG** per year which will be issued on delivery orders placed against a requirements type contract with a one year base period and two (2) – 12 month option periods. The CLIN structure of the contract will consist of a subCLIN for bulk LPG and a subCLIN for monthly rental of contractor owned storage tanks. LPG is delivered to customer commands in **54 LPG storage tanks**, 9 of which are government owned. **The period of performance for the base year is 01 Oct 2016 – 30 Sep 2017**; delivery locations are at various military base facilities on the Island of Oahu.

Procedures in FAR 13.106 are applicable to this procurement. While price will be a significant factor in the evaluation of offers, the final contract award will be based on the lowest price technically acceptable quote (LPTA) – a combination of lowest price and technical acceptability which includes favorable performance ratings queried from the Government wide Past Performance Information Retrieval Systems (PPIRS) at www.ppirs.gov. Where PPIRS performance rating is not known, the rating will be considered acceptable. The contracting officer will rank offerors from lowest to highest price, review the technical quote of the three lowest priced offerors, and, if the lowest priced offeror is technically acceptable, make the award without further evaluating the technical quotes of the other offerors.

REQUEST FOR ONE FIRM FIXED PRICE QUOTE PER GALLON OF LPG REGARDLESS OF GRADE AND MONTHLY TANK RENTAL BY CAPACITY. THE PRICE OF THE LPG SHALL REMAIN FIXED DURING THE BASE YEAR OF THE CONTRACT 01 OCT 2016 THROUGH 30 SEP 2017. ADDITIONALLY, THIS QUOTED PRICE WILL BE USED AS A BASIS FOR APPLYING THE ECONOMIC PRICE ADJUSTMENT FOR THE OPTION YEAR; THEREFORE, ONLY THE BASE YEAR WILL BE QUOTED AND EVALUATED FOR LPG. A QUOTE WITH ESCALATED OPTION YEAR PRICING FOR LPG MAY BE DEEMED UNRESPONSIVE AND MAY NOT BE EVALUATED FOR THE AWARD.
