2	6/15/2016	100 and 112	Section I	<p>52.228-1 BID GUARANTEE</p> <p>5254.201-9300 BID GUARANTEE (Correct Clause = 5252.228-9302)</p>	<p>52.228-1 'BID GUARANTEE' (SEP 1996) asks for the furnishing of a bid guarantee to either 20% of the bid price or \$2,000,000.00, whichever is less. Given the maximum dollar value of the contract, requirement is for \$2,000,000.00.</p> <p>In page 112 of 132 of the Solicitation, Clause 5254.201-9300 'BID GUARANTEE' (OCT 2004) asks for the furnishing of guarantee bond (Standard Form 24) to at least 20% of the largest amount which award can be made under the bid submitted, but in no case to exceed \$3,000,000.00. Given the maximum dollar value of the contract, requirement is for \$3,000,000.00. Please clarify the following:</p> <p>1.) Which clause is applicable? Clause 52.228-1 or Clause 5254.201-9300?</p> <p>2.) If Clause 5254.201-9300 is the applicable one, it asks to use Standard Form 24. This form though is not used by our surety company. Rather, our surety company can only provide the guarantee bond in their own format. Please advise if this is acceptable.</p> <p>3.) Bidder understands that this bid guarantee or guarantee bond is to be returned by the Government to the successful bidder upon signing of the contract and furnishing of required Performance Bond and Payment Bond. Please advise if our understanding is correct.</p>	<p>1.) In accordance with NFAS 28.101-2-100 NAVFAC provisions or contract clauses. (a)(1) Insert the provision at 5252.228-9302, Bid Guarantee, in solicitations requiring bid guarantees. Use in addition to FAR clause 52.228-1. Therefore, both clauses apply. When the clause was added in our contract system it generated clause number 5254.201-9300 which is incorrect. The NFAS Bid Guarantee clause is 5252.228-9302. I am not able to physically make the correction therefore the correction is made here.</p> <p>2.) The clause states, "each bidder/offoror <u>shall</u> submit with its bid/offer a guarantee bond (Standard Form 24)." SF 24 has been provided as an attachment to this amendment.</p> <p>3.) 3	6/15/2016	112	Section I	5252.228-9305 NOTICE OF BONDING REQUIREMENTS	<p>In page 112 of 132 of the Solicitation, Clause 5252.228-9305 'NOTICE OF BONDING REQUIREMENTS' (DEC 2000) asks for a Performance Bond in a penal sum equal to 100% of the contract price and a Payment Bond in a penal sum equal to 100% of the contract price. These percentages appear excessive given that it is not expected that there will be \$20,000,000.00 worth of projects all being executed at the same time. If one assumes an even dispersion of contract value across the maximum five years of duration, this gives \$4,000,000.00 per year.</p> <p>Please clarify if the required percentages for Payment Bond and Performance Bond are accurate.</p>	<p>The clause should have been used with its Alternate I which substitutes "contract price" with "the task order price for each subsequent task order award." This correction has been made in the RFP.</p>	1
