

Paragraph 15 INVOICES

Not used.

Paragraph 17 EXISTING UNDERGROUND UTILITIES

Not used.

Paragraph 19 CONTRACTOR WORK SITE

Building 14's "First Floor Renovation Project" is being solicited for a Design Build Construction Award concurrently with the "Energy Repair Buildings 11, 13 & 14". Both projects will include electrical work, coordination to minimize interference and maximize cooperation will be necessary.

LAYDOWN AREA at NSAB:

"No lay-down area will be provided. The Contractor will need to make provisions for material storage and office space off base. Likewise, there will be no on base parking for POVs and contractor vehicles must have identification on the vehicle to avoid being ticketed."

Paragraph 20 TEMPORARY UTILITIES

Not used.

Paragraph 21 ENVIRONMENTAL CONTROLS AND PROTECTION

The DOR must ensure state and local regulations are met within the edited UFGS section.

Paragraph 22 WASTE MANAGEMENT

Not used.

Paragraph 23 RECORD DRAWINGS AND OPERATION & MAINTENANCE (O&M) DATA

Provide the Contracting Officer with two copies of half size as-built drawings, one copy of full-size as-built drawings, and two CDs containing drawings (in both pdf and Autocad formats), and all construction submittals.

Paragraph 24 WARRANTY

Not used.
