OPTIONS

This contract will be solicited with options.

Options may be exercised at the time of award or within 60 calendar days after award by the Contracting Officer. A firm fixed bid price is required for each option. No provision is made for economic price adjustment. Method for evaluation of bids for award purposes is specified below.

Basis of Bid for each item shall be the addition of the full scope of work complete. If any or all Options are exercised, the contract completion date remains the same.

ITEM NO	SUPPLIES/SERVICES	QUANTITY	UNIT	UNIT PRICE	AMOUNT
0002	Bid Option 1	1	LS	-	_____

FFP

Option 1: Operable Roof Sections includes the price for all work associated with High Bay Retractable Roof (RR) 1 – RR4, including but not limited to procuring, fabricating, and coating, rails, motors, wiring, controls and delivery, as required in the project plans and specifications. This work also includes the price for all work associated with modifying the existing South Truss to remove existing welded appurtenances, including but not limited to removal of weldments on top of truss, welded angles on north edges of FR1 - FR4, and the restoration of coatings, as required by the project plans and specifications. It is anticipated that this work will be performed off site, and will require the removal of the existing units and delivery back to Portsmouth Naval Shipyard – Dry Dock 3.
