

**PRICE PROPOSAL FORM
DESIGN-BID-BUILD RELOCATE GATE 6 ENTRY CONTROL POINT
REVISED JUNE 26, 2015 FOR AMENDMENT 0003**

Contractor price shall include the necessary labor, materials, equipment, management, supervision and administration to accomplish the following by Contract Line Item Number (CLIN):

CLIN 0001A – Price for providing all work, complete, in accordance with the drawings and specifications, but excluding Items 0001B thru 0001D, 0002 - 0004 listed below.

The Contractor shall include an allowance of \$150,000 for the following items:

- a. Purchase, installation, and termination of the outside plant telecommunications copper cabling in accordance with the drawings and specifications. The Government will designate the subcontractor to be used when needed.
- b. Purchase, installation, and termination of the duress system in accordance with the drawings and specifications. The Government will designate the subcontractor to be used when needed.
- c. Purchase, installation and termination of the outside plant telecommunications fiber cables in accordance with the drawings and specifications. The Government will designate the subcontractor to be used when needed.
- d. Relocation and termination of the public cable television backbone cable in accordance with the drawings and specifications. The Government will designate the subcontractor to be used when needed.

TOTAL PRICE FOR 0001A \$ _____

CLIN 0001B – Price for removal and disposal of buried bulk concrete as encountered during the geotechnical investigation in the vicinity of the new gate house and sentry booth. Refer to the Geotechnical Report and drawings. Remove and dispose of bulk concrete as required to install new construction. The Contractor shall include the removal of 6,500 cubic yards and concrete drilling for pile installation of 175 linear feet as part of the base bid. Concrete removal and concrete drilling for pile installation shall be at the direction of the Contacting Officer. Price shall be in accordance with the following schedule:

CLIN	ITEM	UNIT	UNIT PRICE	NO. UNITS	TOTAL PRICE FOR CLIN 0001B (UNIT PRICE X NO. UNITS)
0001B	Removal and disposal of buried bulk concrete	CY	\$ _____	6,500	\$ _____
	Concrete drilling for pile installation	LF	\$ _____	175	\$ _____

CLIN 0001C – Unit price for all work in connection with the removal, disposal and replacement of geotechnically unsuitable nonhazardous subgrade soil (i.e. soft subgrade soils) with imported select granular backfill. Unsuitable nonhazardous subgrade soil determinations shall be made by the Contracting Officer. The price shall include removal of geotechnically unsuitable nonhazardous soils encountered at the planned footing subgrades or identified during proof-rolling of planned subgrades and backfilling the excavation with compacted clean imported select granular backfill (ASTM D2487 Classifications SP, SP-SM, or SM with a maximum of 15% fines by ASTM D1140). Soils disturbed by the Contractor's construction activities, or that are excessively wet and soft due to lack of proper site drainage or excavation dewatering, will not be considered unsuitable. Unit price shall include all handling and transportation. The volume of material removed and imported backfill required shall be determined based on field measurements (length x width x depth) of the completed excavation to remove the unsuitable soil as approved by the Contracting Officer.

CLIN	ITEM	UNIT	UNIT PRICE	NO. UNITS	TOTAL PRICE FOR CLIN 0001C (UNIT PRICE X NO. UNITS)
0001C	Removal, disposal and replacement of geotechnically unsuitable nonhazardous soils	CY	\$ _____	5,000	\$ _____

CLIN 0001D – Unit price for all work in connection with the removal, disposal and replacement of geotechnically unsuitable nonhazardous petroleum saturated subgrade soil (i.e. soft subgrade soils) with imported select granular backfill. Unsuitable nonhazardous subgrade soil determinations shall be made by the Contracting Officer. The price shall include removal of geotechnically unsuitable nonhazardous petroleum saturated soils encountered at the planned footing subgrades or identified during proofrolling of planned subgrades and backfilling the excavation with compacted clean imported select granular backfill (ASTM D2487 Classifications SP, SP-SM, or SM with a maximum of 15% fines by ASTM D1140). Soils disturbed by the contractor's construction activities, or that are excessively wet and soft due to lack of proper site drainage or excavation dewatering, will not be considered unsuitable. Unit price shall include unsuitable soil as approved by the Contracting Officer.

CLIN	ITEM	UNIT	UNIT PRICE	NO. UNITS	TOTAL PRICE FOR CLIN 0001D (UNIT PRICE X NO. UNITS)
0001D	Removal and disposal of geotechnically unsuitable nonhazardous petroleum contaminated soils	CY	\$ _____	2,500	\$ _____

Price credit for providing all work in accordance with items detailed as Bid Option No. 3 in accordance with the drawings and specifications.

TOTAL PRICE FOR CLIN 0004 \$ _____

TOTAL PRICE FOR ITEMS 0001 THRU 0004 \$ _____

NOTES

- a. Award will be made on the total of CLIN 0001A and the sum of the extensions under CLIN s 0001B, 0001C and 0001D. For 0001B, 0001C and 0001D, enter unit prices and extended totals in spaces provided. If there is a difference between a unit price and the extended total, the unit price will be held to be the intended bid and the total recomputed accordingly. If an Offeror provides a total but fails to enter a unit price, the total divided by the specified quantity will be held to be the intended unit price.

- b. The Government reserves the unilateral right to award CLIN 0002, CLIN 0003 and CLIN 0004 to the Contractor at the proposed price within 365 calendar days after the contract award. A firm fixed proposed price is required for CLIN 0001, CLIN 0002, CLIN 0003 and CLIN 0004. No provision is made for economic price adjustment. Award of CLIN 0002 extends the contract completion date by 335 calendar days upon award of the CLIN. Award of CLIN 0003 extends the contract completion date by 335 calendar days upon award of the CLIN. Award of CLIN 0004 will not extend the contract completion date.

- c. Evaluation of Options (JUL 1990). Except when it is determined in accordance with FAR 17.206 (b) not to be in the Government's best interest, the Government will evaluate offers for award purposes by adding the price for the option(s) to the total price for CLIN 0001. In accordance with FAR 52.217-5, evaluation of options will not obligate the Government to exercise the Option(s).

- d. The Government may reject an offer as nonresponsive if it is materially unbalanced as to prices for the basic requirement and the option quantities. An offer is unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated for other work.

- e. If CLIN 0002 and CLIN 0003 are exercised, additional bonding and consent of surety is required. Consequently, the Performance Bond must reflect 100% of the aggregate amount of all Items.
