SUMMARY OF CHANGES

SECTION SF 30 - BLOCK 14 CONTINUATION PAGE

The following have been added by full text:

AMEND 0001

A.) The purpose of this amendment is to provide a response to requests for information under subject solicitation.

1. Question: Question: There is a requirement in the RFP (p.3/14 Section 1604000) for the contractor to employ a "certified wastewater treatment plant operator". Our superintendent we would use on this job, if awarded, has 38 years of experience with wastewater treatment facilities, pumps and piping. He does not have a certification from the Wastewater Works Operators Certification Board of Examiners. We would like to request this requirement to be waived from the RFP as we feel it is not necessary for the maintenance and repair of screw pumps and would be a barrier for us to respond to the RFP.

1. Answer: The WWTP Operator Certification is waived. The certification is not required in the maintenance of the screw pumps.

B.) In accordance with FAR 52.237-1, Site Visit (APR 1984), offerors are highly encouraged to attend a site visit for the Maintenance and Repair of Screw Pumps at the Waste Water Treatment Plant located at French Creek Building 440 on **14 April 2015 at 9:00 AM.**

C.) Interested offerors are required to bring the following documents to the Main Gate Visitor Center Building 818 to obtain a "One Day Pass" to attend the scheduled site visit:

- Copy of Solicitation N40085-15-R-0813
- Valid State Driver's License
- Proof of current Automobile Insurance

D.) All other terms and conditions remain unchanged.
