AMEND 0006

A. The following questions and answers are provided:

Question: The example does not address the A002AF which is what I am asking about. This says to Develop and Implement a Routine Integrated Maintenance Program on Wet Pipe Sprinkler Systems.

1. Does this mean that the frequencies outside of the annual maintenance is included on this line item?
2. Is this were we put in the money for the LOL?

I do not understand what item is being priced in line item A002AF, please explain what exactly is included in this line item.

Answer: ELIN A002AF and all ELINS associated with IMP development and implementation should be priced by Tasks associated with the system identified in UFC 3-601-02 tables. A002AF should use UFC 3-601-02 Table 2.2 Wet Pipe Sprinkler Systems for pricing. This is a five year contract so pricing should include at a minimum the 5 year service. It should also identify the year the other services would be do, i.e. 20 year, 50 year, etc. Yes, the Limit of Liability is priced under the IMP program.

B. Offerors are permitted to acknowledge amendment 0005 and this amendment 0006 ONLY by electronic submission to Clifton.gaither@navy.mil or may send with their mailed package.
