

## BRIEF SYNOPSIS FOR SOLICITATION N40085-15-R-6617:

The Naval Facilities Engineering Command (NAVFAC), Mid-Atlantic is seeking small business firms capable of providing facility investment/preventative services at Marine Corps Reserve Facilities located in Bakersfield, Concord, Miramar (i.e. San Diego), Pasadena, Pico Rivera and San Bruno, California; Riverton, Utah; and Yakima, Washington. Contractor shall provide all management, supervision, labor, engineering services, tools, materials, equipment, supplies, facilities, and transportation necessary to complete Scope of Work requirements in accordance with the attached plans, specifications (Sections C, F and J) and this Request for Proposal.

This is a competitive Total Small Business Set-Aside solicitation. The Government intends to award this Firm-Fixed Price (FFP)/Indefinite Delivery Indefinite Quantity (IDIQ) Contract on or around September 2015. The NAICS Code is 561210. The duration of the contract is anticipated to be an initial one (1) year from date of contract award and will include four (4) additional one (1) year options. The estimated award magnitude for the entire five (5) years is between \$5M-\$6M --- inclusive of both FFP and IDIQ requirements. The FFP base year requirement will be the overall minimum guarantee.

This announcement, inclusive with attachments, constitutes the only solicitation that will be issued. The Request for Proposal (RFP), N4008515R6617, is the only written solicitation that will be issued, unless amended. Solicitations are ONLY available through download from FedBizOpps at [www.fbo.gov](http://www.fbo.gov). All Offerors must be registered in DOD's System for Award Management (SAM at <https://www.sam.gov>) with completed and up to date representations and certifications for the NAICS code 561210, Size Standard \$38.5M. DETAILED REQUIREMENTS, ESSENTIAL FOR SUBMITTING A PROPOSAL, ARE CONTAINED IN SECTIONS L AND M OF THE RFP. Important Dates include:

July 16, 2015: Pre-Proposal Site Visit

July 28, 2015: Due date for Pre-Proposal Inquiries (PPI)

August 5, 2015: Proposal Due Date (no later than 3:00 p.m. CST)

No email or fax copied proposals will be accepted. Provide responses to Mr. Eugene Leonard, NAVFAC Mid-Atlantic, MARFORRES FST, 520 Dewey Avenue, Bldg. 5, Great Lakes, IL 60088-2913, (847) 688-3368, ext. 104. It is the REGISTRANT's responsibility to periodically check the FedBizOpps website for the current status of the solicitation and possible amendments.
