1503030 - Integrated Solid Waste Management		
Spec Item	Title	Description
1	General Information	The Contractor shall provide all labor, management, supervision, tools, material, and equipment required to perform refuse collection, disposal and recycling at Naval Station, Naval Undersea Warfare Center, Naval War College, Naval Health Clinic New England, at Newport Rhode Island.
1.1	Concept of Operations	<p>The intent of 1503030 Integrated Solid Waste Management is to specify the requirements related to the collection and disposal of solid waste and recyclable materials.</p> <p>The Contractor shall perform their duties under the “Performance Based” Contracting requirements. All work will be followed under the Firm Fixed Price (FFP) and IDIQ sections of the awarded contract. The Firm Fixed Price section is arranged in an Annex/Sub-annex type of work. All work will be guided by those annexes. The other type of work is IDIQ; IDIQ work is work outside the FFP but is mirrored after it. All IDIQ work must be funded by the Command requesting the task. Government Purchase Card (GPC) work can be ordered off of the IDIQ work, only if the awarded contract has EMALL capabilities or a Task order has been issued to the FMFS Office. However the inspection of said work will be the responsibility of the ordering official, not the NAVFAC, PWD, FMFS Office.</p> <p>The following services are not included in this Template:</p> <ul style="list-style-type: none"> ... Waste removal from inside buildings and service locations to waste collection points. This is included in 1503010, Custodial.

1503030 - Integrated Solid Waste Management		
Spec Item	Title	Description
2	Management and Administration	
2.1	Definitions and Acronyms	Definitions and Acronyms are listed in J-1503030-01 .
2.2	Personnel	The Contractor shall provide personnel with the qualifications, technical knowledge, experience and skills required for efficient operations within the Integrated Solid Waste Management function.
2.2.1	Certification, Training, and Licensing	N/A
2.3	Special Requirements	N/A
2.3.1	Recyclable Accounting	The Contractor shall submit receipts denoting the date, type and quantity of material recycled. The Contractor shall submit receipts of revenue generated by sale of recyclable materials. The Contractor shall submit Defense Reutilization management Office (DRMO) receipts. Submit all Revenue Receipts per Section F with the Contractor's monthly invoice.
2.3.2	Weight Tickets (Non-Recyclable)	Individual weight tickets denoting the date, type of truck or container, and tonnage disposed shall be submitted per Section F with the Contractor's monthly invoice. The Contractor shall also provide the total tabulated tonnage disposed during the month.
2.3.3	Permits and Licenses	Within 15 calendar days after contract award, the Contractor shall submit copies of disposal permits or other written documentation of approval and suitability of landfill or other final disposal methods.
2.4	References and Technical Documents	References and Technical Documents are listed in J-1503030-02 .

1503030 - Integrated Solid Waste Management				
Spec Item	Title	Performance Objective	Related Information	Performance Standard
3	FFP Work	The Contractor shall provide refuse collection, disposal and recycling services to ensure refuse and recyclables are properly collected and disposed.		<p>Refuse and recyclables are properly collected and disposed</p> <p>Pickups are scheduled at the minimum number that will prevent waste container overflow.</p> <p>Recycling is performed to reduce solid waste volume.</p>
3.1	Solid Waste Collection	The Contractor shall provide collection of residential, commercial, and industrial solid wastes to ensure refuse and recyclables are properly collected.	<p>The Contractor shall develop and submit a schedule that has been optimized for solid waste collection per Section F.</p> <p>The Contractor shall submit changes to the solid waste collection schedule in writing to the KO for approval.</p> <p>If the scheduled collection day falls on an observed holiday, pickup shall be on the following work day.</p> <p>The Contractor shall collect and dispose of any spillage. Descriptions and locations of waste containers are shown in Maps and Locations as provided in J-1503030-03.</p> <p>Informational Note: The Government has found on previous contracts that solid waste collection at the frequencies listed in the Frequency Historical Data as provided in J-1503030-04 has maintained services at an acceptable level.</p>	<p>Commercial and industrial solid wastes are collected per the Contractor's schedule.</p> <p>Waste collection areas are free of waste following collection operations.</p> <p>All Compactors shall be steamed cleaned before returned to site. All containers shall be free of all pests (i.e. Bees nest etc...) before being returned to site.</p>
3.1.1	Non-Residential	The Contractor shall remove non-residential waste from containers to ensure refuse and recyclables are properly collected	The Contractor shall return each waste container to its original location.	Non-Residential waste is removed from waste collection areas per the Contractor's schedule.

1503030 - Integrated Solid Waste Management				
Spec Item	Title	Performance Objective	Related Information	Performance Standard
3.1.1.1	General Waste	The Contractor shall remove general waste from containers to ensure refuse is properly collected.		General waste is removed from waste collection areas per the Contractor's schedule. Containers are returned to an upright position and lids are secured.
3.1.1.2	Recyclable Waste	The Contractor shall remove recyclable waste to ensure it is properly collected.	The Contractor shall provide the "Single Streaming" method of collection NUWC Facility recycling containers shall be emptied on a weekly basis.	Recyclable waste is removed from waste collection areas per the Contractor's schedule. Containers are returned to an upright position and lids are secured.
3.1.1.3	Bulky Items	The Contractor shall remove bulky items to ensure they are properly collected.	Bulky items include small appliances, furnishings, debris and other boxed or bagged waste outside of a container but in a waste deposit area.	Bulky items are removed from waste collection areas per the Contractor's schedule.
3.1.1.4	Foreign Port Origin Waste	The Contractor shall remove foreign port origin waste to ensure it is properly collected.	The Government will provide at least 24 hours notice of the location, date, and time or the required collection to the Contractor.	Foreign port origin waste is removed from designated locations within four hours of the specified collection time. Foreign port origin waste is collected in accordance with all local requirements.
3.2	Solid Waste Disposal	The Contractor shall dispose of residential, commercial, and industrial solid waste to ensure compliance with all applicable local, state, and federal laws and regulations.	All fees associated with disposal shall be paid by the Contractor. Open burning is prohibited and is not an authorized means of solid waste disposal. The Contractor shall collect and dispose of any spillage.	Solid waste disposal complies with all applicable local, state, and federal laws and regulations.
3.2.1	Non-Recyclable	The Contractor shall dispose of non-recyclable solid waste to ensure compliance with all applicable local, state, and federal laws and	Prior to disposal, all solid wastes shall be sorted to remove recyclable materials. The Contractor shall comply with treatment procedures for all foreign port origin waste	Solid waste disposal complies with all applicable local, state, and federal laws and regulations.

1503030 - Integrated Solid Waste Management				
Spec Item	Title	Performance Objective	Related Information	Performance Standard
		regulations.	prior to disposal in accordance with local policy as listed in References and Technical Documents in J-1503030-05 .	
3.2.2	Recyclable	The Contractor shall recycle solid waste to ensure compliance with the installation's waste reduction policy.	The Contractor shall process listed recyclables Income generated from the sale of recyclable material shall be returned to the Government.	Solid waste is recycled in accordance with installation policy.
3.3	Vehicles and Equipment	The Contractor shall maintain vehicles and equipment in a manner to ensure a clean appearance, minimal foul odors, and normal working condition.	The Contractor shall not clean vehicles and equipment on Government property.	Vehicles and equipment are clean, have minimal foul odors, and are maintained in normal working condition.
3.4	Solid Waste Containers	The Contractor shall provide containers suitable for the collection and disposal of solid waste.	The Contractor shall submit recommended changes to the size and location of solid waste containers in writing to the KO for approval. The Contractor's name and phone number shall be prominently displayed on each container. All doors, lids, hinges, rollers, breaking devices, and other moving parts shall be maintained to keep containers in normal working condition. Bent, damaged, leaking, rusting, and unsightly containers shall be repaired or replaced in a timely manner. The Contractor shall not clean containers on Government property. Containers shall be placed in waste collection areas as shown Locations provided in J-1503030-03	All containers are of standard commercial-industrial grade and are clean, have minimal foul odors, and maintained in normal working condition.

1503030 - Integrated Solid Waste Management				
Spec Item	Title	Performance Objective	Related Information	Performance Standard
3.4.1	Refuse	The Contractor shall provide containers suitable for the collection and disposal of refuse.	Containers shall be specifically designed for food waste and shall be leak-proof and rust-proof.	All containers are suitable for the collection and disposal of refuse. Containers do not leak.
3.4.2	Recyclables	The Contractor shall provide containers suitable for the collection and recycling of materials.	Containers shall be labeled with the type of recyclable material to be collected.	All containers are suitable for the collection and recycling of materials and correctly labeled.
3.5	Compactors and Containers	The Contractor shall provide compactors and containers suitable for the collection and disposal of solid waste.	<p>The Contractor shall make electrical connections to compactors in accordance with local policy.</p> <p>The Contractor shall maintain compactors and containers in accordance with the manufacturer's instructions. Compactors and containers provided by the Contractor shall be of the capacities specified in Locations provided in J-1503030-03, and specifically designed to handle commercial and industrial solid waste.</p>	<p>Compactors and containers are suitable for the collection and disposal of solid waste.</p> <p>Compactors and containers are of standard commercial-industrial grade and in normal working condition.</p> <p>All Compactors shall be steamed cleaned before returned to site. All containers shall be free of all pests (i.e. Bees nest etc...) before being returned to site.</p>

1503030 - Integrated Solid Waste Management				
Spec Item	Title	Performance Objective	Related Information	Performance Standard
4	IDIQ Work	IDIQ work may be ordered utilizing DoD EMALL in accordance with Section H or on a task order in accordance with the PROCEDURES FOR ISSUING ORDERS clause in Section G. The order will specify the exact locations and types of work to be accomplished. The period of performance will be specified in each order.	Refer to IDIQ ELINs for task listings, descriptions, and related requirements. All periods of performance are measured from issue date of order to acceptance of the work. Performance standards for IDIQ work will be the same as those in Spec Item 3 where applicable.	

Revised Amend 0004

ATTACHMENT J-1503030-04
HISTORICAL DATA

NAVSTA/NUWC COLLECTION SCHEDULES
MSW=TRASH
SSR=SINGLE STREAM RECYCLING

NAVSTA- MSW: MONDAY-THURSDAY
NAVSTA- SSR: FRIDAY
NUWC- MSW: TUESDAY
NUWC- SSR: WEDNESDAY (EVERY WEEK)

NOTE: Naval Health Clinic New England (NHCNE) and Naval Undersea Warfare Center (NUWC) are considered under the Naval Station Newport Frequencies.

NOTE:

NUWC Command has determined that the Bi-Monthly pick-up of the Single Steam Dumpsters is not fulfilling their recycling mission. Due to an exacerbated increase of recycling material and the inability to effectively monitor the dumpster's capacity, a weekly schedule will be needed to realistically control the additional quantities being disposed.
