2. Questions:

Question 1:

Concerning Facility Investment portion, Spec Item 4 Non-Recurring Work. The performance Objective section references Section H and Section G. I am not able to find these sections in the documents provided. Please advise.

Answer: See Revised "1502000 C Facility Investment ver 2.3 12102015" issued with this amendment. There is no EMALL ordering associated with this contract and sections "H and G" have been taken out.

Question 2:

Concerning ATTACHMENT J-0200000-12, Line Item A704 is pre-populated with a dollar figure of \$80,000.00 and is not protected. What is the significance of that number? Is this budget number for repair/upgrade work?

Answer: This is the budget price for the government ordering material and equipment costs under Non Recurring work. The contractors will not make any changes to A704 or any option years for 704 material and equipment costs. This is a fixed amount for material and equipment as a limit only and will be used in conjunction with ELINS 700 thru 703.
