PRE-AWARD INQUIRY RESPONSE:

1. Question: Design Experience: The RFP appears to allow the use of an outside Design firm, as long as the firm is identified and used throughout the contract. However, the RFP states that the Offeror must submit past projects/experience as the DOR. Subcontractor experience will not be considered. Please clarify/confirm whether the Offer may submit past experience of the Design firm identified in their proposal, or if the past experience must be that of the actual Offeror.

RESPONSE: For Design Experience only, projects will be proposed by the Designer of Record (DoR) your firm plans to partner with for the duration of the contract. The submitted projects have to be in line with the criteria stated for relevancy under the Experience Factor.
