EVALUATION FACTORS FOR AWARD

The project will be awarded to the responsible offeror offering the **LOWEST PRICE** to the Government. The Government shall evaluate each offeror on price only:

A. Price Submission:

1. **PRICE BINDER**: Offeror shall submit one (1) original, marked "Original", and one (1) copy, each in a separate three ring binder (1 ½ inch minimum ring size), with the following:
 - Price Proposal Form
 - Copy of Representation and Certifications from SAM
 - Bid Bond
 - 8 ½ X 11 format, Times New Roman, 12 point font
 - Include a cover page with Solicitation Number, Solicitation Title, Prime Contractor Name, Address, Phone Number, Fax Number, DUNS, Cage Code, Point of Contact, phone number, and email address. Cover Page will not be included in the page count.

B. Basis of Evaluation:

1. The Government will evaluate price based on the total price. Total price consists of the basic requirements and all option items. In accordance with FAR 52.217-5, evaluation of options will not obligate the Government to exercise the option(s). Analysis will be performed by one or more of the following techniques to ensure a fair and reasonable price:
 - a. Comparison of proposed prices received in response to the RFP.
 - b. Comparison of proposed prices with the Independent Government Cost Estimate (IGCE).
 - c. Comparison of Proposed prices with available historical information.
 - d. Comparison of market survey results.

VI. EVALUATION

1. The Government reserves the right to eliminate from consideration for award any or all offers at any time prior to award of the contract and to award the contract to the offeror submitting the lowest price proposal.

2. The Government intends to evaluate proposals and award a contract without discussions with offerors (except clarifications as described in FAR 15.306(a)). The Government reserves the right to conduct discussions if the Contracting Officer later deems them to be necessary. In addition, if the Contracting Officer determines that the number of proposals that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the Contracting Officer may limit the number of proposals in the competitive range to the greatest number that will permit an efficient competition among the most highly rated proposals.
 3. From all proposals deemed eligible for award, the lowest price will be chosen.
