

SIMPLIFIED ACQUISITION PROCEDURES (SAP)

Determination Memorandum for Sole Source Acquisitions Over \$3,500 but not Exceeding \$150,000

SOLICITATIONS MAY BE LIMITED TO ONE SOURCE ONLY IF THE CONTRACTING OFFICER DETERMINES THAT ONLY ONE SOURCE IS REASONABLY AVAILABLE. WHEN THE CUSTOMER DESCRIBES AN ITEM OR SERVICE, WHICH LIMITS THE AVAILABILITY TO ONE SOURCE, THE DETERMINATION MUST EXPLAIN WHY THE ITEM OR SERVICE PROVIDER IS THE ONLY ONE THAT WILL MEET THE GOVERNMENT'S REQUIREMENT. STATEMENTS SUCH AS "ONLY KNOWN SOURCE" OR "ONLY SOURCE WHICH CAN MEET THE REQUIRED DELIVERY DATE" ARE INADEQUATE TO SUPPORT A SOLE SOURCE PURCHASE. THIS FORM MAY BE USED IN LIEU OF THE DETERMINATION DESCRIBED IN FAR 13.106. THE CUSTOMER SHALL PROVIDE THE FOLLOWING INFORMATION:

1. PURCHASE REQUEST OR REQUISITION NUMBER:	2. PROJECT/TASK NUMBER:	3. ESTIMATED AMOUNT:
--	-------------------------	----------------------

[REDACTED]

4. BRIEF DESCRIPTION OF SUPPLIES OR SERVICES REQUIRED AND THE INTENDED USE:

Note: Rogue Wave has acquired Klocwork and therefore any reference to Klocwork would now extend to Rogue Wave.
This action is for the follow on maintenance, yearly renewal, of the Klocwork Insight from Klocwork commercial off the shelf software previously purchased by the Integrated Training Solutions(ITS) program. The follow on support license will provide the Government continued access to future updates and technical support for a period of one year.

5. UNIQUE CHARACTERISTICS THAT LIMIT AVAILABILITY TO ONLY ONE SOURCE, WITH THE REASON NO OTHER SUPPLIES OR SERVICES CAN BE USED:

Klocwork Insight application combines on-the-fly analysis, drag & drop build reporting, and cross-project impact analysis to deliver serious productivity gains to the entire development process. Klocwork is the solutions for ITS common software products requiring Information Assurance (IA) application accreditation in accordance with Security Technical Implementation Guides (STIG). The product is only provided by the creator Klocwork and can only be supported by them.

6. EXPLAIN WHY AN ADEQUATE PURCHASE DESCRIPTION OR OTHER INFORMATION SUITABLE TO SOLICIT MORE THEN ONE SOURCE HAS NOT BEEN DEVELOPED:

The items are designed, tested and manufactured by Klocwork who invest in the development of proprietary designs, materials and manufacturing processes that afford them the technical edge they need in the marketplace to compete. These items are developed by discrete and precise engineering specifications and technical data. Initiatives to provide these components via other sources would require access to the data which is not for sale. Market research has shown that only Klocwork is capable of meeting the required form, fit, and functions to provide the functionality and DOD/DON mandated security requirements.

7. PROVIDE A STATEMENT OF ACTIONS, IF ANY, THE GOVERNMENT MAY TAKE TO REMOVE OR OVERCOME ANY BARRIERS TO COMPETITION BEFORE FUTURE ACQUISITIONS ARE REQUIRED:

Continue to review the latest commercially available software products for improved performance and costs benefits while providing commonality and interchangeability with the ITS common software products requirements.
