**52.212-2 Evaluation -- Commercial Items (JAN 1999):**

(a) The Government will award a contract resulting from this solicitation to the responsible quoter whose quote conforming to the solicitation will be most advantageous to the Government, price and other factors considered.

**The following factors shall be used to evaluate offers:**

**Technical  
Price**

Procedures in FAR 13.106 are applicable to this procurement. While price will be a significant factor in the evaluation of offers, the final contract award will be based on the combination of the factors above.

(b) *Options.* The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of a quote mailed or otherwise furnished to the successful quoter within the time for acceptance specified in the quote, shall result in a binding contract without further action by either party. Before the quote's specified expiration time, the Government may accept a quote (or part of a quote), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
