AMENDMENT 0003

****THIS AMENDMENT IS ONLY APPLICABLE TO THOSE OFFERORS IN THE COMPETITIVE RANGE****

a. The purpose of Amendment 0003 is to:

- 1) Close Discussions.
- 2) Request Final Proposal Revisions (FPR) and provide instructions.
- 3) Establish the Final Proposal Revision Closing Date as Wednesday, August 31, 2016.

b. Discussions are hereby closed. FPRs are due by Wednesday, August 31, 2016

FPR INSTRUCTIONS

Offerors may now submit written final proposal revisions to their non-cost/price proposal, and/or price proposal, as applicable. Final proposal revisions must be submitted via electronic commerce to the Contract Specialist and Contracting Officer at luke.clay@navy.mil and barbara.t.spruill@navy.mil by August 31, 2016

Responses to each non-cost/price and price discussion question shall be submitted with your final proposal revision and will not be included in the page limitation. In order to be binding, your responses must be included in your noncost/price and price proposals respectively. Therefore, index each change in the front of your revised proposal and ensure the location of the response to each question is identified (i.e., Volume, Table No., Paragraph No., Page No., etc.). A complete resubmission of the revised non-cost/price and price proposal, with changes annotated, is required. All remaining format restrictions provided in the original RFP remain unchanged. Proposal revisions shall be clearly marked and sent to the original proposal submission location. Revisions may be identified with bold print, vertical line in the margin, by underlining or with some type of identifiable marking to allow evaluators to find the changes easily.

Offerors with no changes to their non-cost/price and/or price proposal submission, shall provide a response stating there are no changes to the offer no later than the date and time stated above. This response must include responses to all discussion questions in order to remain in the competition.

The Government will not accept any "conditioning" of your final proposal revisions. "Conditioning" means placing any restriction on your non-cost/price and/or price proposals. You should have resolved all uncertainties during discussions.

The response to the questions and final proposal revisions are subject to FAR 52.215-1. The Government intends to make award without obtaining further revisions. Therefore, your final revised proposal shall contain the best terms from a price and technical standpoint.

All other terms and conditions remain unchanged.
