SECTION SF 30 - BLOCK 14 CONTINUATION PAGE

The following have been added by full text:

AMENDMENT 0004

Amendment 0004 is issued for the following reasons:

- 1) To permit acknowledgement of Amendments 0003 and 0004 via electronic submission to Phil Mathews at philip.mathews@navy.mil no later than 31 March 2016, 2:00 PM EDT.
- 2) To permit electronic submission of revisions to Offerors' proposals, if any, as a result of information provided in Amendment 0003, issued 23 March 2016 to Phil Mathews at [philip.mathews@navy.mil](mailto:philip.mathews@navy.mil).

---

Offerors may elect to change any portion of the non-price or price proposal or indicate a preference to have the Government evaluate their original non-price or price proposal submission by confirmation of the following (please select one of the two following statements):

\_\_\_\_\_ I request that the Government evaluate my originally submitted non-price and price proposals. I do not intend on making changes to my non-price and price proposals as a result of Amendment 0003.

\_\_\_\_\_ I request that the Government incorporate revisions to my non-price and/or price proposal as attached and evaluate my non-price and price proposals with these revisions.

Should an offeror elect to submit revisions to their non-price or price proposal, they shall be submitted in the following format:

**Non-Price Revisions:**

Provide all proposal revisions as replacement pages with text revisions highlighted by a line in the margin. Clearly mark the areas that you have revised in your proposal with bold print, by underlining or with some type of identifiable marking

to allow evaluators to find the changes easily. Please do not repaginate. If your revision exceeds the original page limit, paginate using numeric-alpha (for example, an addition to page 1 would be page 1a, 1b, etc.). Your revision is not to exceed the original page limit by two (2) double-sided (or 4 single-sided) supplemental pages for any given factor. A complete resubmission of the non-price related factors proposal is not required or desired.

**Price Revisions:**

If changes only affect the narrative text in your proposal, replacement pages (preferably in a different color from original submission) identifying the changed areas may be submitted. However, if the changes affect the price or individual cost elements, a complete resubmission of the price proposal, with changes annotated, is required.

**\*\*Revisions and amendment acknowledgements received after 2:00 PM EDT, 31 March 2016 will not be considered.\*\***

Timing of proposal submission should be considered when utilizing electronic submissions. Offerors are reminded that electronic submissions **MUST** be received by the Government no later than 2:00 PM EDT, 31 March 2016.
