- b. f. 552.270-1 - INSTRUCTIONS TO OFFERORS—ACQUISITION OF LEASEHOLD INTERESTS IN REAL PROPERTY (JUN 2011)

(1) Definitions. As used in this provision—

“Discussions” are negotiations that occur after establishment of the competitive range that may, at the contracting Officer's discretion, result in the offeror being allowed to revise its proposal.

“In writing, writing or written” means any worded or numbered expression that can be read, reproduced, and later communicated, and includes electronically transmitted and stored information.

“Proposal modification” is a change made to a proposal before the solicitation's closing date and time, or made in response to an amendment, or made to correct a mistake at any time before award.

“Proposal revision” is a change to a proposal made after the solicitation closing date, at the request of as allowed by a Contracting Officer as the result of negotiations.

“Time,” if stated as a number of days, is calculated using calendar days, unless otherwise specified, and will include Saturdays, Sundays, and legal holidays. However, if the last day falls on a Saturday, Sunday, or legal holiday, then the period shall include the next working day.

(2) Amendments to solicitations. If this solicitation is amended, all terms and conditions that are not amended remain unchanged. Offerors shall acknowledge receipt of any amendment to this solicitation by the date and time specified in the amendment(s).

(3) Submission, modification, revision, and withdrawal of proposals.

a. Unless other methods (e.g., electronic commerce or facsimile) are permitted in the solicitation, proposals and modifications to proposals shall be submitted in paper media in sealed envelopes or packages. Offers must be:

(i) Submitted on the forms prescribed and furnished by the Government as a part of this solicitation or on copies of those forms, and

(ii) Signed. The person signing an offer must initial each erasure or change appearing on any offer form. If the offeror is a partnership, the names of the partners composing the firm must be included with the offer.

b. Late proposals and revisions.

(i) The Government will not consider any proposal received at the office designated in the solicitation after the exact time specified for receipt of offers unless it is received before the Government makes award and it meets at least one of the following conditions:

(A) It was sent by registered or certified mail not later than the 5th calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th).

(B) It was sent by mail (or telegram or facsimile, if authorized) or hand-carried (including delivery by a commercial carrier) if it is determined by the Government that the late receipt was due primarily to Government mishandling after receipt at the Government installation.

(C) It was sent by U.S. Postal Service Express Mail Next Day Service-Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays.

(D) It was transmitted through an electronic commerce method authorized by the solicitation and was received at the initial point of entry of the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of proposals.

(E) There is acceptable evidence to establish that it was received at the activity designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers, and the Contracting Officer determines that accepting the late offer would not unduly delay the procurement.

(F) It is the only proposal received.

(ii) Any modification or revision of a proposal or response to request for information, including any final proposal revision, is subject to the same conditions as in subparagraphs (c)(2)(i)(A) through (c)(2)(i)(E) of this provision.

(iii) The only acceptable evidence to establish the date of mailing of a late proposal or modification or revision sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date of the proposal, response to a request for information, or modification or revision shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors or respondents should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(iv) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the proposal wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(v) The only acceptable evidence to establish the date of mailing of a late offer, modification or revision, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service, "Postmark" has the same meaning as defined in paragraph (c)(2)(iii) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors or respondents should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(vi) Notwithstanding paragraph (c)(2)(i) of this provision, a late modification or revision of an otherwise successful proposal that makes its terms more favorable to the Government will be considered at any time it is received and may be accepted.

(vii) An offeror may withdraw its proposal by written notice or telegram (including mailgram) received at any time before award. If the solicitation authorizes facsimile proposals, an offeror may withdraw its proposal via facsimile received at any time before award, subject to the conditions specified in the provision entitled "Facsimile Proposals." Proposals may be withdrawn in person by an offeror or an authorized representative, if the representative's identity is made known and the representative signs a receipt for the proposal before award.

(viii) If an emergency or unanticipated event interrupts normal Government processes so that proposals cannot be received at the office designated for receipt of proposals by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of proposals will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office.

- c. Any information given to a prospective offeror concerning this solicitation will be furnished promptly to all other prospective offerors, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offeror.
- d. Offerors may submit modifications to their proposals at any time before the solicitation closing date and time, and may submit modifications in response to an amendment, or to correct a mistake at any time before award.

- e. Offerors may submit revised proposals only if requested or allowed by the Contracting Officer.
 - f. The Government will construe an offer to be in full and complete compliance with this solicitation unless the offer describes any deviation in the offer.
 - g. Offerors may submit proposals that depart from stated requirements. Such a proposal shall clearly identify why the acceptance of the proposal would be advantageous to the Government. The proposal must clearly identify and explicitly define any deviations from the terms and conditions of the solicitation, as well as the comparative advantage to the Government. The Government reserves the right to amend the solicitation to allow all offerors an opportunity to submit revised proposals based on the revised requirements.
- (4) Restriction on disclosure and use of data. An offeror that includes in its proposal data that it does not want disclosed to the public for any purpose, or use by the Government except for evaluation purposes, must meet both of the following conditions:
- a. Mark the title page with the following legend:

This proposal includes data that shall not be disclosed outside the Government and shall not be duplicated, used, or disclosed—in whole or in part—for any purpose other than to evaluate this proposal. If, however, a lease is awarded to this offeror as a result of—or in connection with—the submission of this data, the Government shall have the right to duplicate, use, or disclose the data to the extent provided in the resulting contract. This restriction does not limit the Government's right to use information contained in this data if it is obtained from another source without restriction. The data subject to this restriction are contained in sheets [insert numbers or other identification of sheets].
 - b. Mark each sheet of data it wishes to restrict with the following legend:

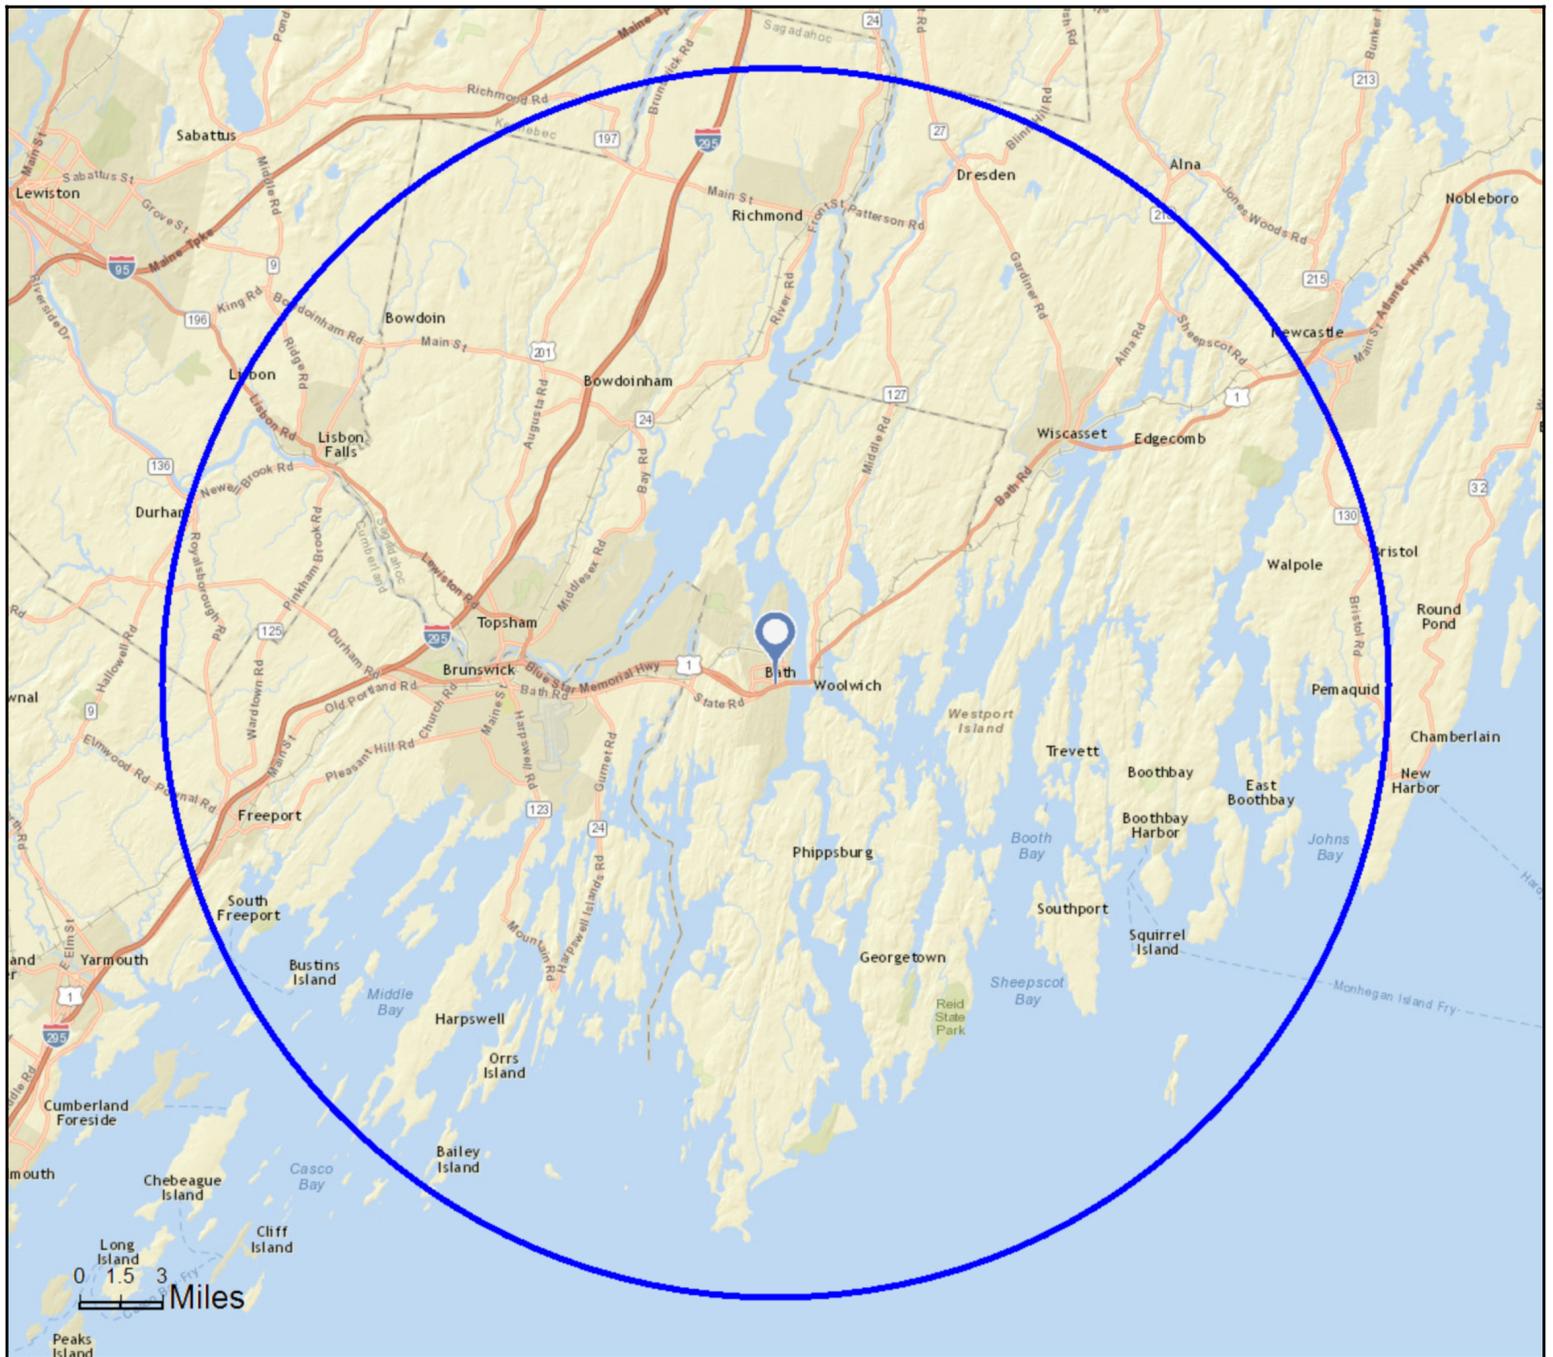

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal.
- (5) Lease award.
- a. The Government intends to award a lease resulting from this solicitation to the responsible offeror whose proposal represents the best value after evaluation in accordance with the factors and sub factors in the solicitation.
 - b. The Government may reject any or all proposals if such action is in the Government's interest.
 - c. The Government may waive informalities and minor irregularities in proposals received.

- d. The Government intends to evaluate proposals and award a lease without discussions with offerors (except clarifications). Therefore, the offeror's initial proposal should contain the offeror's best terms from a price and technical standpoint. If the Contracting Officer determines that the number of proposals that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the Contracting Officer may limit the number of proposals in the competitive range to the greatest number that will permit an efficient competition among the most highly rated proposals. The government reserves the right to conduct discussions if the Contracting Officer later determines them to be necessary.
 - e. Exchanges with offerors after receipt of a proposal do not constitute a rejection or counteroffer by the Government.
 - f. The Government may determine that a proposal is unacceptable if the prices proposed are materially unbalanced between line terms or subline items. Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more contract line items is significantly overstated or understated as indicated by the application of cost or price analysis techniques. A proposal may be rejected if the Contracting Officer determines that the lack of balance poses an unacceptable risk to the Government.
 - g. The execution and delivery of the Lease contract by the Government establishes a valid award and contract.
 - h. The Government may disclose the following information in post award debriefings to other offerors:
 - (i) The overall evaluated cost or price and technical rating of the successful offeror;
 - (ii) The overall making of all offerors, when any ranking was developed by the agency during source selection; and
 - (iii) A summary of the rationale for award.
- (6) Paperwork collection. The information collection requirements contained in this solicitation/contract are either required by regulation or approved by the Office of Management and Budget pursuant to the Paperwork Reduction Act and assigned OMB Control No. 3090-0163.

- (B) Have have not , within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property (if offeror checks "have", the offeror shall also see 52.209-7, if included in this solicitation);

- (D) Have , have not , within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.
 - (ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.
- (2) Examples.
- (i) The taxpayer has received a statutory notice of deficiency, under I.R.C. § 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.
 - (ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. § 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.
 - (iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. § 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.
 - (iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed

Company Name: _____

This Certification Concerns a Matter Within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under Section 1001, Title 18, United States Code.

- (b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror's responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.
- (d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.

Additionally, nothing contained in this lease shall be considered as implying that the Congress of the United States of America will at any later date, appropriate sufficient funds to meet any deficiencies hereunder.

6. GOVERNMENT EXPENDITURE

The total maximum annual expenditure by the Government hereunder, including rental and the cost of utilities, maintenance, services, and operation, whether obtained by the Government through this lease or independently of this lease may not exceed the statutory ceiling established for each year of this lease or any renewal thereof, by the Congress of the United States.

7. LESSOR RENTAL COVENANT

Lessor expressly covenants that the rental stipulated in Article No. 3 and 5 of this lease constitutes the entire consideration for the lease and that the Lessor has not and will not enter into any separate agreement with the occupant of the leased premises for any financial obligation of one to the other arising out of occupancy of the premises hereunder.

8. APPLICABLE CODES AND ORDINANCES

The Lessor, as part of the rental consideration, agrees to comply with all codes and ordinances applicable to the ownership and operation of the building in which the leased space is situated and, at his own expense, to obtain all necessary permits and related items.

9. INSURANCE

The Lessor shall maintain fire and extended coverage insurance on the premises, in such reasonable amounts as Lessor may desire, and at Lessor's expense. Each policy of insurance maintained by the Lessor as required hereunder shall contain an endorsement reading substantially as follows: "The insurer

waives any right of subrogation against the United States of America which might arise by reason of any payment made under this policy."

10. DAMAGE BY FIRE OR OTHER CASUALTY

If fire or other casualty destroys the said premises, this lease will immediately terminate. In case of partial destruction or damage, so as to render the premises untenable, as determined by the Government, the Government may terminate the lease by giving written notice to the Lessor within 15 calendar days thereafter; if so terminated, no rent will accrue to the Lessor after such partial destruction or damage; and if not so terminated, the rent will be reduced proportionately by supplemental agreement hereto effective from the date of such partial destruction or damage.

11. CONDITION REPORT

A joint physical survey and inspection report of the demised premises will be made as of the effective date of this lease, and at the termination of this lease, reflecting the then present condition, and will be signed on behalf of the parties hereto. It is mandatory that a Lessor Representative and both Government Representatives be present at both scheduled inspections.

The Government will keep, and at the expiration or termination of this lease, deliver up the premises in as good order and condition as the same are now, reasonable wear and tear and damages by accidental fire excepted. Accidental fire is intended to include all fires not caused by the intentional acts of the Government's agents or employees.

Neither the Government's acceptance of the premises for occupancy, nor the Government's occupancy thereof, shall be construed as a waiver of any requirement of or right of the Government under this Lease, or as otherwise prejudicing the Government with respect to any such requirement of right.

12. MAINTENANCE OF PREMISES, HOUSEHOLD FURNISHINGS, CLEANING AND PAINTING ACTIONS

The Lessor shall maintain the demised premises, including the building and all equipment, fixtures, and appurtenances furnished by the Lessor under this lease in good repair and tenantable condition, in accordance with the specifications outlined in Exhibit "B", except in case of damage arising from the act or the negligence of the Government's agents, employees, or occupants. For the purpose of so maintaining said premises and property, the Lessor may at reasonable times, and with the approval of the authorized Government local (SUPSHIP) representative in charge, enter and inspect the same and make any necessary repairs thereto. Should the Lessor fail to perform, the Government shall have the right of recourse identified in clause no. 20 of this Lease.

Following the inspection made as of the effective date of this lease, the Lessor hereby agrees, upon request by the Government, to replace and/or restock at no additional cost to the Government or any occupant, any damaged or missing household furnishings identified, with quantities specified, in Exhibit "C" of this Lease. The Lessor agrees to replace or recharge, at no additional cost to the Government, any fire extinguisher(s) supplied under the terms of this lease if found to be discharged or expired.

The Lessor hereby agrees, upon request by the Government, with a termination of a leased dwelling unit or at a change in assigned occupant(s) resulting in a vacant unit, to perform at no additional cost to the Government a general cleaning, including appliances, furnishings, and a professional steam cleaning of all carpeted areas (to include carefully moving furniture and returning furniture to its original location) and replacement of all pillows with new ones. Said general cleaning shall occur no more frequently than once per year. Under no circumstances may an occupant of a unit request repainting or a general cleaning.

13. INSPECTION UPON SURRENDER OF THE LEASED PREMISES

It is understood and agreed herein that the Government has the right to terminate all or part of this lease, and all rental stops on the effective date of such termination. Upon receipt of a termination notice, or during the final month of this lease Lessor is required to:

- a) Pre-inspect the unit after tenant has vacated and schedule with the Government's Real Estate point of contact a joint inspection as required under clause no. 11, so as to document the actual condition of the vacated unit, and determine whether there exist any claims for damages beyond normal wear and tear. **NOTE: DO NOT** make any repairs, changes, or modifications to a unit before the Government documents the condition of the premises in a joint inspection with the SUPSHIP and Lessor Representative;
- b) Submit all damage claims, at the fair/depreciated value, provide proof of payment and pertinent supporting documentation (cleaning expenses, repairs, carpet replacement, or excessive removal of abandoned belongings), to the Government's local (SUPSHIP) representative with copy to Real Estate Contracting Officer within 30 days of the joint inspection.

At the conclusion of a termination, or upon expiration of this lease, the Government and Lessor will execute a "Settlement and Special Release Agreement" reflecting the final resolution of all issues under this lease.

14. DAMAGE TO ANY OR ALL HOUSEHOLD ITEMS AND WINDOW OR DOOR SCREENS

It is understood and agreed herein that the Government shall not be liable for loss or damage to window or door screens, and any of the household items listed paragraph 12. MAINTENANCE OF PREMISES, above, and the Government shall be held harmless and free of liability by the Lessor for any such loss or damaged incurred.

15. DELIVERY AND CONDITION AND PROGRESSIVE OCCUPANCY

Unless the Government elects to have the space occupied in increments, the space must be delivered ready for occupancy as a complete unit. All furniture, appliances, household furnishings, and other items identified in Exhibits "B" and "C" to this lease are to be assembled and ready for use. All packing and packaging materials are to be removed from the premises prior to delivery. The Government reserves the right to determine when the space is ready to occupy.

The Government shall pay rent only when the entire premises or suitable units are ready for occupancy. The Government reserves the right to appropriately pro rate or reduce the rent in the event of a

partial delivery acceptance or in the event of an identified deficiency under the requirements of Exhibits "B" or "C" to this lease. If the agency occupies the space in partial increments, rent will accrue or be paid on a pro rata basis.

16. TIME EXTENSIONS

The lease will not be terminated nor the Lessor charged with resulting damage if delays arise from unforeseeable causes beyond the control of the Lessor and/or his contractors, subcontractors, suppliers, or another Government contractor. However, the Lessor shall notify the Contracting Officer, in writing, of any delay within 10 calendar days after it begins. The Contracting Officer shall ascertain the facts, determine the extent of the delay, and grant extensions when justified.

17. TERMINATION FOR DEFAULT OF OCCUPANCY READINESS

If the Lessor fails to prosecute the work required to deliver the leased premises ready for occupancy by the Government with such diligence as will ensure delivery of the leased premises within the time required by the lease agreement, or any extension of the specified time, or if the Lessor fails to complete said work within such time, the Government may, by written notice to the Lessor, terminate the lease agreement. Regardless of whether the lease is terminated, the Lessor and his sureties shall be liable for any damage to the Government resulting from his failure to deliver the premises ready for occupancy within the specified time.

18. INSPECTION OF PREMISES

At all times after receipt of offers, prior to or after acceptance of any offers, or during any construction, remodeling, or renovation work, the premises and the building or any parts thereof, upon reasonable and proper notice, must be accessible for inspection by the Contracting Officer, or by architects, engineers, or other technicians representing him, to determine whether the essential requirements of the solicitation or the lease requirements are met.

Periodic review, tests, and inspections by the Government are not to be interpreted as resulting in any approval of the Lessor's apparent progress, but are intended to discover any information, which the Contracting Officer may be able to call to the Lessor's attention to prevent costly misdirection of effort. The Lessor will remain completely responsible for designing, constructing, operating, and maintaining the leased premises in full accordance with the requirements of the solicitation and the resulting lease.

The Government reserves the right, upon reasonable notice, to:

- a. inspect and perform bulk sampling and analysis of suspected asbestos containing materials;
- b. monitor the air for asbestos fibers in the space under lease as well as other areas of the building deemed necessary by the Contracting Officer;
- c. inspect the premises for any leaks, spills, or other potentially hazardous conditions, which may involve tenant exposure to hazardous or toxic substances (e.g. polychlorinated biphenyls);

19. SUBLETTING THE PREMISES

The Government may sublet any part of the premises but shall not be relieved from any obligations under this lease by reason of any such subletting.

20. FAILURE IN PERFORMANCE

The covenant to pay rent and the covenant to provide any service, utility, maintenance, or repair required under this lease are dependent. In the event of failure by the Lessor to provide any of these items, at the Government's option, the Government may:

- a. Relocate the occupants assigned to the leased unit, at the expense of the Lessor.
- b. By contract or otherwise perform the service, maintenance, utility, or repair, and charge to the Lessor any cost incurred by the Government that is related to the performance of such service, maintenance, etc., including any administrative costs, and deduct such cost from any rental payments.
- c. Reduce rental payments by the corresponding value of the lease requirement not performed, as determined by the Contracting Officer.
- d. By written notice to the Lessor, terminate the lease agreement.

These remedies are not exclusive and are in addition to any other remedies, which may be available under this contract or in the law.

21. DISPUTES

- a. This contract is subject to the Contract Disputes Act of 1978 (41 USC 7101-7109)(the Act).
- b. Except as provided in the Act, all disputes arising under or relating to this lease shall be resolved under this clause.
- c. "Claim," as used in this clause, means a written demand or written assertion by the Lessor or the Government seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of lease terms, or other relief arising under or relating to this lease. A claim arising under this lease, unlike a claim relating to this lease, is a claim that can be resolved under a lease clause that provides for the relief sought by the claimant. However, a written demand or written assertion by the Lessor seeking the payment of money exceeding \$100,000 is not a claim under the Act until certified as required by subparagraph (d) below. A voucher, invoice, or other routine request for payment that is not in dispute when

submitted is not a claim under the Act. The submission may be converted to a claim under the Act, by complying with the submission and certification requirements of this clause, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.

d. A claim by the Lessor shall be made in writing and submitted to the Real Estate Contracting Officer for a written decision within 6 years after the claim arises. A claim by the Government against the Lessor shall be subject to a written decision by the Real Estate Contracting Officer.

(1) The Lessor shall provide the certification specified in subparagraph d(3) of this clause when submitting any claim--

(a) Exceeding \$100,000; or

(b) Regardless of the amount claimed, when using--

-1- Arbitration conducted pursuant to 5 U.S.C. 575-580; or

-2- Any other alternative means of dispute resolution (ADR) technique that the agency elects to handle in accordance with the Administrative Dispute Resolution Act (ADRA).

(2) The certification requirement does not apply to issues in controversy that have not been submitted as all or part of a claim.

(3) The certification shall state as follows: "I certify that the claim is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the contract adjustment for which the Lessor believes the Government is liable; and that I am duly authorized to certify the claim on behalf of the Lessor."

(4) The certification may be executed by any person duly authorized to bind the Lessor with respect to the claim.

e. For Lessor claims of \$100,000 or less, the Real Estate Contracting Officer must, if requested in writing by the Lessor, render a decision within 60 days of the request. For Lessor-certified claims over \$100,000, the Real Estate Contracting Officer must, within 60 days, decide the claim or notify the Lessor of the date by which the decision will be made.

f. The Real Estate Contracting Officer's decision shall be final unless the Lessor appeals or files a suit as provided in the Act.

g. At the time a claim by the Lessor is submitted to the Real Estate Contracting Officer or a claim by the Government is presented to the Lessor, the parties, by mutual consent, may agree to use ADR. When using arbitration conducted pursuant to 5 U.S.C. 575-580, or when using any other ADR technique that the agency elects to handle in accordance with the ADRA, any claim, regardless of amount, shall be accompanied by the certification described in subparagraph d(3) of this clause, and executed in accordance with subparagraph d(4) of this clause.

h. The Government shall pay interest on the amount found due and unpaid by the Government from (1) the date the Real Estate Contracting Officer receives the claim (property certified, if required), or (2) the date payment otherwise would be due, if that date is later, until the date of payment. With regard to claims having defective certifications, as defined in FAR 33.201, interest shall be paid from the date that the Real

Estate Contracting Officer initially receives the claim. Simple interest on claims shall be paid at the rate fixed by the Secretary of the Treasury as provided in the Act, which is applicable to the period during which the Real Estate Contracting Officer receives the claim and then at the rate applicable for each 6-month period as fixed by the Treasury Secretary during the pendency of the claim.

i. The Lessor shall proceed diligently with the performance of the lease, pending final resolution of any request for relief, claim, appeal, or action arising under the lease, and comply with any decision of the Real Estate Contracting Officer.

(g) (1) (i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in Subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the SAM database; (B) comply with the requirements of Subpart 42.12 of the FAR; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. The Contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the Contractor fails to comply with the requirements of paragraph (g) (1) (i) of this clause, or fails to perform the agreement at paragraph (g) (1) (i) (C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the SAM information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

(2) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the SAM record to reflect an assignee for the purpose of assignment of claims (see FAR Subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the SAM database. Information provided to the Contractor's SAM record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(h) Offerors and Contractors may obtain information on registration and annual confirmation requirements via the internet at <http://www.sam.gov> or by calling 1-866-606-7828.
