AMENDMENT 0003**AMENDMENT 0003****06 April 2015****PROJECT: P800 STEAM DISTRIBUTION SYSTEM DECENTRALIZATION****NAVAL BASE SAN DIEGO, CA****N62473-15-R-1604**

2. Responses to additional RFIs received to date are provided below:

RFI #9: Section 00100 - Bidding Schedule/Instructions to Bidders: Paragraph: 2. Proposal Submission Requirements : We are in the process of forming a new joint venture (JV) in response to the P800 Steam Distribution System Decentralization solicitation and are still awaiting the DUNS Number, CAGE Code, Tax Identification Number (TIN), and representations and certifications for the newly formed entity. We have been informed that these items may not be available until after the proposal submission date. In lieu of the new JV's DUNS Number, CAGE Code, TIN, and representations and certifications, would the government allow us to submit proof of the new JV application and the DUNS Number, CAGE Code, TIN, and representations and certifications for each JV partner? If not, we request a 2 week extension. Please advise.

Government Response: The JV must be fully established and registered prior to award of this contract. For proposal purposes, please follow the guidance stated in Factor 1 – Technical Approach, providing a signed copy of the Joint Venture Agreement, approved Mentor Protégé Agreement (MPA), or letter of commitment for each member of the Offeror's team. Also, as stated in Factor 2 – Experience, experience should be submitted for projects completed by the Joint Venture entity. If the Joint Venture does not have shared experience, projects may be submitted for the Joint Venture members. Offerors that fail to submit experience for all Joint Venture members may be rated lower. There will be no two week extension to the proposal due date.
