AMENDMENT 0002

Subject: REQUEST FOR PROPOSAL N62473-16-R-3214, DESIGN-BUILD CONTRACT Q-889 AND Q-890 SPECIAL OPERATIONS FORCES, SEA, AIR, AND LAND (SEAL) TEAM OPERATIONS FACILITIES FOR SEAL TEAMS FIVE AND SEVEN AT THE NAVAL SPECIAL WARFARE COASTAL CAMPUS, CORONADO, CALIFORNIA

Date: 1 November 2016

A. The information below is provided in response to the Request for Information:

Contractor RFI #17: Section 2 “Definitions”, Eight definition down, Page 11:

Request:

Please clarify the definition of “Self-Perform” listed in the RFP on page 11. Specifically, what is meant by “performing relevant major trade work in house without subcontractors?”

As a General Contractor, we believe several of the roles listed below classify as “self-performing” functions, as each role is a very large part of the construction trade for the success of the project:

- Project Managers / Construction Managers\
- Design Managers
- BIM Design Managers/VOC Design Managers
- Quality Control Design Manager
- Schedulers
- Director of Safety
- Site Superintendents
- SWPP & Environmental Manager
- Site Project Managers / Engineers / Foreman
- Assistant Superintendents/Assistant Project Managers
- Field Schedulers
- Site Safety Officers
- Site Quality Control Manager
- Site SWPPP & Environmental Manager

GOVERNMENT RESPONSE: "Major trade work" refers to building trades such as carpentry, bricklaying, masonry, plumbing, etc. that are essential to, and chiefly practiced with building construction. For the purpose of this solicitation, the Government focus of "major trade work" in self-performed work does not include administrative or management functions such as all those functions listed in this RFI.

Contractor RFI #18: Attachment B. “Offeror’s Team Consent Form”, Page 51:

Request:

Attachment B, "Offeror's Team Consent Form," is listed as an attachment on page 51. However, it is not listed as a requirement anywhere else in the RFP. If an Attachment B is required by our team, in what order should we include it within the Phase I proposal format listed on page 4 of the RFP?

GOVERNMENT RESPONSE: As discussed in Amendment 0001 RFI #1, Attachment B (Offeror's Team Consent Form for the Release of Past and Present Performance Information to the Prime Contractor) is requested if applicable. As stated in the Offeror's Team Consent Form, Past performance information concerning subcontractors and teaming partners cannot be disclosed to a private party without the subcontractor's or teaming partner's consent. Because a prime contractor is considered a private party, the Government requires the consent of the subcontractor/teaming partner before disclosing past and present performance information to the prime contractor during exchanges. In an effort to assist the Government in evaluating past performance relevancy and confidence, we request that a consent form be completed by the major subcontractors/teaming partners identified in Factor 1 of the Offeror's proposal.

The form is to be completed by the entity that is providing consent to the prime contractor. Use the form (one per entity) to provide consent to allow the Government to discuss the entity's past and present performance information with the prime contractor during the source selection process.

Submit Attachment B (if applicable) with Attachment A (Offeror Team Composition and Management) under Factor 1 – Technical Approach. Attachment B is NOT included in the page limitation set for technical approach narrative.

Contractor RFI #19: Section 4. "Joint-Venture Agreement, Paragraph 2, Page 6:

Request:

If a Joint-Venture Agreement is not necessary for our teaming structure, should we submit a Teaming Agreement or Letter of Commitment in place of this requirement for Section 4?

GOVERNMENT RESPONSE: Yes, but only submit it under Factor 1 – Technical Approach, Item (a)(2) requirement which states, "...the Offeror shall submit a signed copy of a joint venture agreement, partnership agreement, teaming agreement, approved mentor protégé agreement (MPA), or letter of commitment for each member of the Offeror's team..." and not under Section 4. "Joint-Venture Agreement", Paragraph 2, Page 6 referenced in this RFI.

NOTE: ALL OTHER PARAGRAPHS, PROVISIONS, AND CONDITIONS TO RFP N62473-16-R-3214 REMAIN UNCHANGED. THE OFFEROR MUST ACKNOWLEDGE RECEIPT OF ALL AMENDMENTS ON THE OFFER SCHEDULE.
