1. Q: The inventory addition of a Vehicle Service Rack to be serviced at the Hickam Vehicle Wash Rack and the inventory addition of (2) each boilers at the Hickam Officers Club Galley and (2) each boilers at the Hickam Enlisted Galley was not part of the original scope at the time of the site visit and appears to be an addition. We require site visits to the Hickam Vehicle Service Rack, Officers Club Galley, and Enlisted Galley to prepare our proposal for these new items to the scope of work.
