Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.
- (c) Period for acceptance of offers. The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.
- (d) Product samples. When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. - (1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.
- (2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and--

- (ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.
- (3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. (g) Contract award (not applicable to Invitation for Bids). The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) Multiple awards. The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

52.212-2 EVALUATION--COMMERCIAL ITEMS (OCT 2014)

#### **EVALUATION CRITERIA**

**IMPORTANCE OF FACTORS:** If the contractor receives an unacceptable rating in any one factor and/or sub-factor, they will be considered overall "Unacceptable."

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

#### Lowest Price Technically Acceptable Evaluation

The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The lowest price technically acceptable source selection process will be utilized. Award will be made on the basis of the lowest evaluated price of proposals meeting or exceeding the acceptability standards for non-cost factors. The following factors will be used to evaluate offers:

- (i) Technical
- (ii) Past Performance
- (iii) Price

Proposals shall have three sections. Each section shall have a cover sheet marked with the section number, title, Request for Quotation (RFQ) identification, and offeror's name. The proposal shall be submitted in a Microsoft Word or PDF document file.

#### **FACTOR I: TECHNICAL**

Offeror's proposal will be evaluated first under Factor (I) above. Offeror's proposal will be evaluated based on their demonstrated technical capability. Contractor shall provide descriptive literature on hotel and amenities package.

**Technical criteria:** The Offeror's technical information will be evaluated and determined technically acceptable or technically unacceptable. Technical proposals with an omission(s) or one that takes exception to any requirement of the solicitation or received an unacceptable rating in any sub-factor will be rendered technically unacceptable. Offeror's determined to be technically unacceptable will not be considered for award unless discussions are held and offeror's are given an opportunity to revise their offers.

#### Section I. Technical –

In Section I of the proposal, offerors shall clearly address how the offeror shall or shall not adhere to the following technical requirements that shall factor into evaluation rating:

- a. Contractor shall have private rooms available in accordance with the PWS.
- b. The distance, in miles, between offeror's location and the Marinette Shipyard.
- c. Each room shall have a private bath.
- d. Each room shall have a telephone, television with cable or satellite TV, and daily housekeeping services shall be provided.
- e. Each room shall be equipped with stove or microwave and refrigerator. Breakfast provided or can be purchased at the discount rate.
- f. All rooms shall be non-smoking, unless specifically requested at the time of check-in.
- g. Rooms shall not be located near or directly over/under noisy, heavy traffic areas such as lounge, dance floor, or bars.
- h. Each room shall be equipped with a smoke detector (s). It shall be preferred that each room contains a water sprinkler firefighting system.
- i. The lodging facility shall have a 24 hour per day staffed information desk or keyed entry for residents only when desk is not staffed.
- j. Parking lots shall be sufficiently lighted to allow for safe travel to and from vehicles at night.
- k. Vending and ice machines shall be located inside the building (s).
- l. Internet and Wi-Fi availability of the facility
- m. Facility shall have a self-service laundry facility located within the building.
- n. Commercial exercise/fitness equipment shall be available in the building or access to a commercial exercise/fitness shall be made available free of charge and within reasonable distance to the lodging facility.

o. The accessibility and proximity to merchants, vendors, etc.

The following adjectival ratings will apply as follows:

<b>RATING</b>	<b>EVALUATION</b>
Acceptable	Proposal meets the minimum requirements of the solicitation.
Unacceptable	Proposal does not meet the minimum requirements of the solicitation.

## **FACTOR II: PAST PERFORMANCE**

Technically acceptable offers will be evaluated under Factor (ii) Past Performance. This non-cost factor will be evaluated as acceptable or unacceptable. Past Performance will be evaluated based on the Offeror's applicable performance under existing and prior contracts for providing similar supplies consistent with the scope and complexity of the functions in the solicitation.

The contractor shall submit a minimum of two Past Performance Surveys (**Attachment II**) for the past 2 years for similar work, as stated in the Performance Work Statement. The Past Performance Survey is attached as a Word document. The Survey shall be submitted by the individual completing the questionnaire prior to RFP closing date. Past Performance Information Form (**Attachment I**) shall be utilized to collect performance information. Contractors can provide other information (verifiable references) that may be relevant in determining past performance history for the same or similar work. Please ensure the point of contact information is current at time of submission.

The Government will review past performance information. The following adjectival ratings apply for past performance:

<b>RATING</b>	<b>EVALUATION</b>
Acceptable	The quoter's response and other information provided to the Government, indicates an acceptable performance in meeting the requirements of this acquisition. In the case of an offeror without a record of relevant past performance or for whom information on past performance is not available, the offeror shall be considered acceptable.
Unacceptable	The contractor's past performance record indicates unacceptable performance based on data submitted and/or other information provided to the Government as the basis of unacceptability.

**NOTE:** In the case of an Offeror without a record of relevant past performance or for whom information on past performance is not available or so sparse that no meaningful past performance rating can be reasonably assigned, the Offeror may not be evaluated favorable or unfavorable on past performance (see FAR 15.305(a) (2) (iv)). Therefore, the Offeror shall be determined to have unknown past performance. In the context of acceptability/unacceptability, "unknown" shall be considered "acceptable".

Offeror's meeting or exceeding the acceptability standards for non-cost factors (Technical and Past Performance), will be evaluated on price.

## **FACTOR III: PRICE**

Pricing shall be firm-fixed pricing to perform the work listed in the Performance Work Statement. Contractors shall include a unit price and total extended price for all Contract Line Items listed in the RFQ.

Failure to furnish the price proposal in accordance with the instructions above shall render the proposal unacceptable.

The Government may award a contract on the basis of initial proposals received without clarifications or discussions. (h) Certification Regarding Responsibility Matters (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that --

(1) The offeror and/or any of its principals ( \_\_\_ ) are, ( \_\_\_ ) are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency,

(2) ( \_\_\_ ) Have, ( \_\_\_ ) have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property; and

(4) ( \_\_\_ ) Have, ( \_\_\_ ) have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for *Listed End Products (Executive Order 13126)*.
