IMPORTANT NOTES:

(1) Offeror shall respond to all requirements of the solicitation document. Offeror is cautioned not to alter the solicitation.

II. REQUIREMENTS FOR QUOTE CONTENT

(1) If the offeror will be submitting CLASSIFIED data in its Non-price quote shall first notify the Contracting Officer by contacting the point of contact in the solicitation. CLASSIFIED data that is forwarded as part of an offeror's quote shall be housed in its own binder, separate from the unclassified portion.

(2) Introduction and Purpose - This section specifies the format that offeror should use in quotes submitted in response to this solicitation. The intent is not to restrict the offeror in the manner in which they will perform their work but rather to ensure a certain degree of uniformity in the format of the quotes for evaluation purposes.

(3) Each volume should contain the following items in addition to the other information required by this solicitation:

Cover: The cover should indicate the following:
 Title of the quote
 Volume Number (I or II)
 Solicitation number
 Name and address of offeror
 Identification of original signature copies

Table of Contents: The table of contents should provide detail sufficient to allow the important elements to be easily located. The use of tabs and dividers is encouraged.

(4) Requirements for Style: The offeror shall submit a quote that clearly and concisely sets forth the contractor's response to the requirements of the solicitation. Unnecessary elaboration or other presentations beyond that sufficient to present a complete and effective quote are not desired and may be construed as an indication of the offeror's lack of cost consciousness. The quote shall contain all the pertinent information in sufficient detail in the one area of the quote where it contributes most critically to the discussion. When necessary, the offeror shall refer to the initial discussion and identify its location within its quote.

(5) Page Limitations

Volume I, "Non-price Quote," is limited to a maximum of 21 pages in length inclusive of any charts, diagrams, and/or other graphics. No more than two pages of introductory information, which is not part of the evaluated material, and the non-price factors, shall have the following page limitations:

Non-Price Evaluation Factors Being Evaluated	Page Limit (# of Pages)
Technical Capability	12 pages
Past Performance (reference)	9 pages (3pages per

Each "page" is defined as one sheet, 8 ½ " x 11", with at least one inch margins on all sides, using a font with a size of 12 or greater (e.g., "Times New Roman" style with 12 point font). Lines shall, at a minimum, be single-spaced. Pages shall be consecutively numbered. Multiple pages, double pages, two-sided pages, or foldouts will count as an equivalent number of 8 ½ " x 11" pages. The cover sheet, table of contents (not to exceed one page per volume), tabs, and dividers will not count toward the page limit. The one exception to the font size requirement shown above is that the "corporate experience and past performance information forms" may be completed with a font size of 10 or greater. Pages submitted in excess of the page limitations described above will not be evaluated.

Volume II, "Price Quote," is not page limited.

III. QUOTE CONTENT

(1) Volume I – Non-price Quote

The non-price evaluation factor is listed below.

- (a) Technical Capability/Approach
- (b) Past Performance

The offeror shall provide in detail their technical approach that will successfully accomplish the requirements of the solicitation, including the Performance Work Statement (PWS).

(2) Volume II – Price

Volume II shall include the completed solicitation documents and all required supporting documentation. The price quote shall support the Non-price quote.

(a) North American Industry Classification System (NAICS) code and small business size standard. The NAICS code and small business size standard for this acquisition appear in Block 10 of the solicitation cover sheet (SF 1449). However, the small business size standard for a concern which submits an offer in its own name, but which proposes to furnish an item which it did not itself manufacture, is 500 employees.

(b) Submission of offers. Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show--

(1) The solicitation number; **N68836-15-T-0381**

(2) The time specified in the solicitation for receipt of offers; **10:00 a.m. Eastern Standard Time , 18 September 2015.**

(3) The name, address, and telephone number of the offeror;

(4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;

(5) Terms of any express warranty;

(6) Price and any discount terms;

(7) "Remit to" address, if different than mailing address;

(8) A completed copy of the representations and certifications at FAR 52.212-3 (see FAR 52.212-3(b) for those representations and certifications that the offeror shall complete electronically);

(9) Acknowledgment of Solicitation Amendments;

(10) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including contract numbers, points of contact with telephone numbers and other relevant information); and

(11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) Period for acceptance of offers. The offeror agrees to hold the prices in its offer firm for 180 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) Product samples. When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) Multiple offers. Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) Late submissions, modifications, revisions, and withdrawals of offers:

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and--

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for quotes, it was the only quote received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) Contract award (not applicable to Invitation for Bids). The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best

terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) Multiple awards. The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

(i) Availability of requirements documents cited in the solicitation. (1)(i) The GSA Index of Federal Specifications, Standards and Commercial Item Descriptions, FPMR Part 101-29, and copies of specifications, standards, and commercial item descriptions cited in this solicitation may be obtained for a fee by submitting a request to--GSA Federal Supply Service Specifications Section, Suite 8100, 470 East L'Enfant Plaza, SW, Washington, DC 20407, Telephone (202) 619-8925, Facsimile (202) 619-8978.

(j) Data Universal Numbering System (DUNS) Number. (Applies to all offers exceeding \$3,000, and offers of \$3,000 or less if the solicitation requires the Contractor to be registered in the System for Award Management (SAM) database. The offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation "DUNS" or "DUNS +4" followed by the DUNS or DUNS +4 number that identifies the offeror's name and address. The DUNS +4 is the DUNS number plus a 4-character suffix that may be assigned at the discretion of the offeror to establish additional SAM records for identifying alternative Electronic Funds Transfer (EFT) accounts (see FAR Subpart 32.11) for the same concern. If the offeror does not have a DUNS number, it should contact Dun and Bradstreet directly to obtain one. An offeror within the United States may contact Dun and Bradstreet by calling 1-866-705-5711 or via the internet at <http://fedgov.dnb.com/webform>. An offeror located outside the United States must contact the local Dun and Bradstreet office for a DUNS number. The offeror should indicate that it is an offeror for a Government contract when contacting the local Dun and Bradstreet office.

(k) System for Award Management. Unless exempted by an addendum to this solicitation, by submission of an offer, the offeror acknowledges the requirement that a prospective awardee shall be registered in the SAM database prior to award, during performance and through final payment of any contract resulting from this solicitation. If the Offeror does not become registered in the SAM database in the time prescribed by the Contracting Officer, the Contracting Officer will proceed to award to the next otherwise successful registered Offeror.
