SECTION L - INSTRUCTIONS, CONDITIONS AND NOTICES TO BIDDERS

The following have been modified:

5252.215-9300 CONTENT OF PROPOSALS (JAN 2003)

(a) PROPOSAL REQUIREMENTS. The responsibility determination, non-price proposal, and the price/cost proposal shall be submitted in separate volumes. The non-price proposal shall not contain any cost/pricing information. The non-price proposal presented by the offeror to whom the award is made will be incorporated into the contract at time of award.

(b) The offeror shall submit the following information:

- (1) Responsibility Determination Binder: 2 (1 original and 1 copy) copies of the responsibility determination information. With the responsibility determination binder, submit the following:
 - a. Submit completed and signed Standard Form 33 with the applicable DUNS Number and CAGE code of the offeror provided on the face of the SF-33. Ensure the SF-33 includes the appropriate name and address of any newly formed joint venture/partnership arrangement if applicable;
 - b. Submit acknowledgement of all amendments;
 - c. Identify the company names, CAGE Code, and DUNS for all team members and identify their role (prime, significant subcontractor, subcontractor, etc.);
 - d. Submit individual representations and certifications if System for Award Management (SAM) representations and certifications are not complete in accordance with FAR 52.204-7;
 - e. The offeror shall provide the latest three complete fiscal year financial statements, certified by an independent accounting firm or at least by an authorized officer of the organization. If a new joint venture/teaming/partnership arrangement is being proposed, include the latest three complete fiscal year financial statements for each firm, certified by an independent accounting firm or at least by an authorized officer of the organization.
 - f. Submit evidence of availability of working/operating capital from an independent financial institution, which will be used for the performance of the resultant contract.
 - g. If joint venture/teaming/partnership arrangement is being proposed, include copies of agreements and letters of commitment signed by the appropriate individuals of each firm. Agreements must include company name, DUNS number, address, point of contact, email address, phone number and fax number. The agreements shall demonstrate the relationship between firms and identify contractual relationships and authorities to bind the firm/joint venture/team/partnership. Offerors proposing significant subcontracts (subcontracts exceeding 10% of the total contract value) shall submit signed letters of commitment from the subcontractors which define the contractual relationship and identify contribution to the planned arrangement in terms of the type and proportion of work to be performed. For Joint Venture arrangements discuss the financial responsibilities among the companies.
 - h. Offerors shall submit plan in accordance with DFARS 252.237-7024 NOTICE OF CONTINUATION OF ESSENTIAL CONTRACTOR SERVICES (OCT 2010).

- i. Submit two copies of the entire Responsibility Determination information on CD filed inside the cover of the "Original" hard copy Responsibility Determination binder.
 - j. Paper should be white, 8 ½ by 11 inches and have margins of 1 inch on all four sides. Double-side printing is permitted. Text will be black using a font no smaller than 11 point, Times New Roman or Courier.
 - k. There is no page limitation on the responsibility determination submission. Double-side printing is permitted.
- (2) Price Proposal Binder: 3 (1 original and 2 copies) copies of the cost/price proposal. With the price proposal, submit the following:
- a. Identify the company names, CAGE Code, and DUNS for all team members and identify their role (prime, significant subcontractor, subcontractor, etc.);
 - b. Submit all Price factor requirements;
 - c. Submit three copies of the entire Price Proposal on CD in readable/searchable electronic format and filed inside the cover of the "Original" hard copy Price Proposal binder. Acceptable readable/searchable formats include MS Word, Excel, and searchable PDF.
 - d. Offerors shall submit pricing spreadsheet data (Section B, Section J Attachment J-0200000-13 Exhibit Line Item Numbers) in hard copy and in EXCEL (Microsoft Office Version 2007 compatible) format on a CD-ROM. Formulas shall be traceable. Failure to do so may be cause to render the offer non-responsive. Offerors may utilize the pricing attachments in EXCEL (Microsoft Office Version 2007 compatible) format in Section J for submission of pricing data. Because the pricing evaluation will concentrate on the electronic files submitted, in the event of a discrepancy between the price proposal hard copies and the price proposal electronic copies, the price proposal electronic copies will take precedence.
 - e. Paper should be white, 8 ½ by 11 inches and have margins of 1 inch on all four sides. Text will be black using a font no smaller than 11 point, Times New Roman or Courier. Double-side printing is permitted. For larger spreadsheets, the offeror may submit folded 11 by 17 inch sheets with printing on one side only.
 - f. Offerors shall put company name on every pricing page.
 - g. There is no page limitation on the pricing proposal.
- (3) Non-Price Proposal Binder: 6 (1 original and 5 copies) copies of the non-price proposal. With the non-price proposal, submit the following:
- a. Identify the company names, CAGE Code, and DUNS for all team members and identify their role (prime, significant subcontractor, subcontractor, etc.);
 - b. Submit all Non-Price factor requirements divided. Each Non-Price factor must have an individual tab divider;
 - c. Submit three copies of the entire Non-Price Proposal on CD in readable/searchable electronic format and filed inside the cover of the "Original" hard copy Non-Price Proposal binder. Acceptable readable/searchable formats include word, excel, and searchable PDF. In the event of a discrepancy between the Non-Price proposal hard copies and the Non-Price proposal electronic copies, the Non-Price proposal hard copies will take precedence.
 - d. State a clear acknowledgement within the beginning of the binder that nothing in the following proposal is meant to supersede or reduce any of the individual requirements to which the offer addresses. It is the Government's intent to incorporate the offeror's proposal into the final contract while at the same time eliminating any contradictory or conflicting requirements between the two. In the event of a conflict between any part or parts of the offer and part or parts of the requirement, the government has the right to selectively choose that part or those parts which are the more advantageous of the two.
 - e. The non-price proposal submittal shall not exceed 100 pages. Blank tab dividers are excluded from the page limitation. Past Performance Questionnaires and Contractor Performance Assessment Reports will not count toward the page limitation.
 - f. Offerors shall put company name on every Non-Price page.

- g. Paper will be white, 8 ½ by 11 inches and have margins of 1 inch on all four sides. Text will be black using a font no smaller than 11 point, Times New Roman or Courier. Double-side printing is allowed; however each side will be counted as one page.
 - h. Foldouts are only permitted for the organization charts. Foldouts are limited to 11 by 17 inch white paper that must be folded to fit within the 3-ring D-binder, printing on one side only. 11 by 17 foldouts are considered one page.
- (4) All binder covers and spine inserts will contain the solicitation number and title, the offeror's name including individual point of contact, with phone number AND email address.
 - (5) Offers are solicited on an "all or none" basis and FAR 52.215-1, INSTRUCTIONS TO OFFERORS-COMPETITIVE ACQUISITION in Section L, is hereby modified. Failure to submit offers for all line items listed shall be cause for rejection of the offer.
