		Page	Section	Para.			
76		55	L	(b)(1)e	This Section states "If a new joint venture/teaming/partnership arrangement is being proposed, include the latest three complete fiscal year financial statements for each firm, certified by an independent accounting firm or at least by an authorized officer of the organization." Does the Government want this information for subcontractors performing less than 10% of the total contract value?	No, the submission criteria does not apply to subcontractors. See Amendment 0003 for revised language.	0003
77		55	L	(b)(1)g	This Section states "If joint venture/teaming/partnership arrangement is being proposed, include copies of agreements and letters of commitment signed by the appropriate individuals of each firm." Does the Government want this information for subcontractors performing less than 10% of the total contract value?	No. See Amendment 0003 for revised language.	0003
78		13	C	2.7.1.3	Can the contractor's Corporate SSHO, who has met the prerequisite training and experiences, designate a "competent person" to be the on-site SSHO. If so, would that competent person have had to of met the SSHO prerequisite training and experiences?	Minimum SSHO qualifications shall be met for the SSHO or designated representative/alternate. In accordance with Section C-0200000, Spec Item 2.7.1.3, the SSHO or an equally-qualified Designated Representative/alternate shall be on-site at all times when work is being performed to implement and administer the Contractor's safety program and government-accepted Accident Prevention Plan.	0003
79		31	C	3.2.1.1	Would the Government please provide elaborate details on what type of Foreign Port Origin Waste the contractor will be required to dispose of?	Section J has been revised via Amendment 0003. See Attachment J-1503030-01 for definition of Foreign Port Origin Garbage.	0003
80		31	C	3.2.1.2	Would the Government please provide elaborate details on what type of Medical Waste the contractor will be required to dispose of? Will there be bloody gauze, needles, and the like?	See BUMEDINST 6280.1B (available via the internet; one website is: http://navybmr.com/study%20material/BUMEDINST%206280.1B.pdf) for type of Medical Waste the contractor will be required to dispose of.	0003
81			Section J, Attachment J-1503030-04 & Amendment 0001 Questions and Answers, question # 13		The government provided historical collections and historical tonnages, which are both very relevant. Based on this information, the equated weight per cubic yard collected appears to be <u>significantly</u> lower than the industry average for a military installation. Can the government please confirm the tonnages provided in the referenced Q&A's are correct for all refuse collected on this project?	Response to Question 13 is correct.	0003
