#### B.1 PRICING OF CLINS

The contract pricing is structured into 36 Contract Line Item Numbers (CLINs). The base year is covered by CLINs 2001, 2002, 3001, and 3002. Each of the seven one year option periods is likewise covered by four CLINs. The FFP/recurring work base year requirement and the overall guaranteed minimum for the contract are CLINs 2001 and 3001. CLINs 2003, 3003, 2005, 3005, 2007, 3007, 2009, 3009, 2011, 3011, 2013, 3013, 2015, 3015, 2017 and 3017 account for the FFP/recurring work requirements in each option period. CLINs 2004, 3004, 2006, 3006, 2008, 3008, 2010, 3010, 2012, 3012, 2014, 3014, 2016, 3016, 2018, and 3018 contain IDIQ/non-recurring work requirements that are pre-priced as part of your offer.

Section B CLINs are supported by Section J Exhibit Line Item Numbers (ELINs). Before Pricing Section B, complete the Section J ELINs Attachment excel spreadsheets. There are two ELINs spreadsheets; one for NAS Jacksonville and one for NAVSTA Mayport. Each spreadsheet includes multiple worksheets, which must be completed. Submit the completed spreadsheet with your proposal in hard copy and electronic format. Each spreadsheet contains 18 tabs of ELINs, each corresponding to the recurring and non-recurring work Section B CLINs. They are identified for example, as: "Recurring Base Period" (which is CLIN 2001 or 3001), "Non-Recurring Base Period" (which is CLIN 2002 or 3002), "Recurring Opt Period One" (which is CLIN 2003 or 3003), "Non-Recurring Opt Period One" (which is CLIN 2004 or 3004), "Recurring Opt Period Two" (which is CLIN 2005 or 3005) etc. ELINs with prefix "A" support the Base Year, ELINs with prefix "B" support Option Period 1, ELINs with prefix "C" support Option Period 2, ELINs with Prefix "D" support Option Period 3, ELINs with Prefix "E" support Option Period 4, ELINs with Prefix "F" support Option Period 5, ELINs with Prefix "G" support Option Period 6, ELINs with Prefix "H" support Option Period 7, and ELINs with Prefix "J" support the FAR 52.217-8 Option Period. Therefore, for NAS Jacksonville, the total of ELINs A001 through A019 will be the amount you should enter in Section B CLIN 2001. The total of A700 through A723 will be the amount you should

enter in Section B CLIN 2002. The total of B001 through **B019** will be the amount you should enter in Section B CLIN 2003. And the total of B700 through **B723** will be the amount you should enter in Section B CLIN 2004. For NAVSTA Mayport, the total of ELINs A001 through A018 will be the amount you should enter in Section B CLIN 3001. The total of A700 through **A722** will be the amount you should enter in Section B CLIN 3002. The total of B001 through B018 will be the amount you should enter in Section B CLIN 3003. And the total of B700 through **B722** will be the amount you should enter in Section B CLIN 3004. Continue pricing accordingly and make sure that the total of each Tab of ELINs is equal to its corresponding CLIN value entered in Section B. The total of all Section J ELINs should equal the total of all Section B CLINs 2001 through 2018 for NAS Jacksonville and 3001 through 3018 for NAVSTA Mayport.
