5. Navy Commercial Access Control System (NCACS) Project

Commander, Navy Installations Command (CNIC), has established the Navy Commercial Access Control System (NCACS), a standardized process for granting unescorted access privileges to vendors, contractors, and suppliers not otherwise entitled to the issuance of a Common Access Card (CAC) who seek access to and can provide justification to enter Navy installations and facilities. Visiting vendors may obtain daily passes directly from the individual Navy installation by submitting identification credentials for verification and undergoing a criminal screening/background check. Alternatively, if the vendor chooses, it may voluntarily elect to obtain long-term credentials through enrollment, registration, background vetting, screening, issuance of credentials, and electronic validation of credentials at its own cost through a designated independent contractor NCACS service provider. Credentials will be issued every five years and access privileges will be reviewed/renewed on an annual basis. The costs incurred to obtain Navy installation access of any kind are not reimbursable, and the price(s) paid for obtaining long-term NCACS credentials will not be approved as a direct cost of this contract. Further information regarding NCACS can be found at http://cnic.navy.mil/CNIC_HQ_Site/ (under "Popular Links") or <http://rapidgate.com>

All deliveries to CNRNW commands must pass through the base Truck Inspection Station. All delivery vehicles are subject to inspection. Drivers should expect delays due to heightened security.

For access to the main, perimeter gates at any Navy Base Kitsap installation, contractors are required to be a US Citizen and have either:

(a) RAPIDGate badge or

(b) Request a One-day Visitor badge at Pass & ID. Be prepared to present:

- Photo ID
- Original proof of citizenship (any one of the following is acceptable):
 - State Certified Birth Certificate (must have the raised seal)
 - Unexpired U.S. passport/Passport Card
 - Alien Registration Card
 - State Issued ENHANCED Drivers License
 - Naturalization papers
 - Certificate/Statement of Birth Born Abroad)
- Current vehicle registration and insurance
- Bill of lading that has the delivery address on it

Please note: The RAPIDGate badge does not give access through the second, OA gate to lower base Bangor or to the CIA area at PSNS. To access to either the OA Gate or CIA area, a Navy Region Bangor or NAVSEA Badge is required.

To request a NAVY REGION NW badge, <https://www.bavr.cnic.navy.mil/>. Sponsor email is jennifer.way@dla.mil

2. Offerors quote must be valid for 90 days.
3. The Government requirement for delivery of the CLINS 0003, 0004, and 0005 have a higher priority than the delivery of CLINs 0001, 0002, and 0003.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). This procurement is subject to Past Performance Information Retrieval System – Statistical Reporting (PPIRS-SR), authorized by the Department of Defense for use by participating activities during the acquisition of supplies and services.

(2) The purpose of the PPIRS-SR is to provide contracting personnel with quantifiable past performance information regarding delivery and quality, as collected from existing DoD reporting systems. PPIRS-SR uses the past performance data collected to classify each supplier's performance by Federal Supply Class(es) or Service Code(s).

(3) **Quality:** The method used in PPIRS-SR to classify the quality of a supplier's past performance is a comparison of quality records among all suppliers who have provided goods or services to the Federal Government which are categorized in the same Federal Supply Class or Service Class (FSC). Based on the comparison among suppliers in a specific FSC group, suppliers are classified by PPIRS-SR into a color rating that represents the supplier's overall quality performance for that specific Federal Supply Class or Service Class. The following is a summarization of the PPIRS-SR classification colors:

1. Dark Blue: Top 5% of suppliers in FSC group*
2. Purple: Next 10% of suppliers in FSC group*
3. Green: Next 70% of suppliers in FSC group*
4. Yellow: Next 10% of suppliers in FSC group*
5. Red: Bottom 5% of suppliers in FSC group*

* If all supplier performance ratings for an entire FSC group are equal, all suppliers in that group will be classified Green.

(4) **Delivery:** Supplier delivery past performance is classified in PPIRS-SR by the supplier's percentage of on time deliveries. On time deliveries are calculated using the number of line items delivered and a weighting factor which reflects the length of time a delivery was overdue.

(5) PPIRS-SR classifications are established monthly for each supplier and can be reviewed at <http://www.ppirs.gov/>. Suppliers are granted access to PPIRS-SR for their own classifications. Offerors are encouraged to review their own classifications as well as the PPIRS-SR reporting procedures and methodology detailed in the PPIRS-SR Procedures Manual and the PPIRS-SR User Guide available at <http://www.ppirs.gov/>. The method to challenge a rating is also found on the identified website.

(6) Suppliers with no history in PPIRS-SR will be considered to have a neutral PPIRS-SR rating.
